

the hallmark

A black and white photograph of a forest path. Sunlight filters through the trees, creating a dappled light effect on the path and the surrounding foliage. The trees are tall and slender, with some evergreen branches visible in the foreground.

With thoughts
we started the journey.

With curiosity
we explored.

With freedom
we created.

With excitement
we laughed.

With patience
we learned.

With hope
we continue the journey.

Seniors

Mary Frances Fairchild

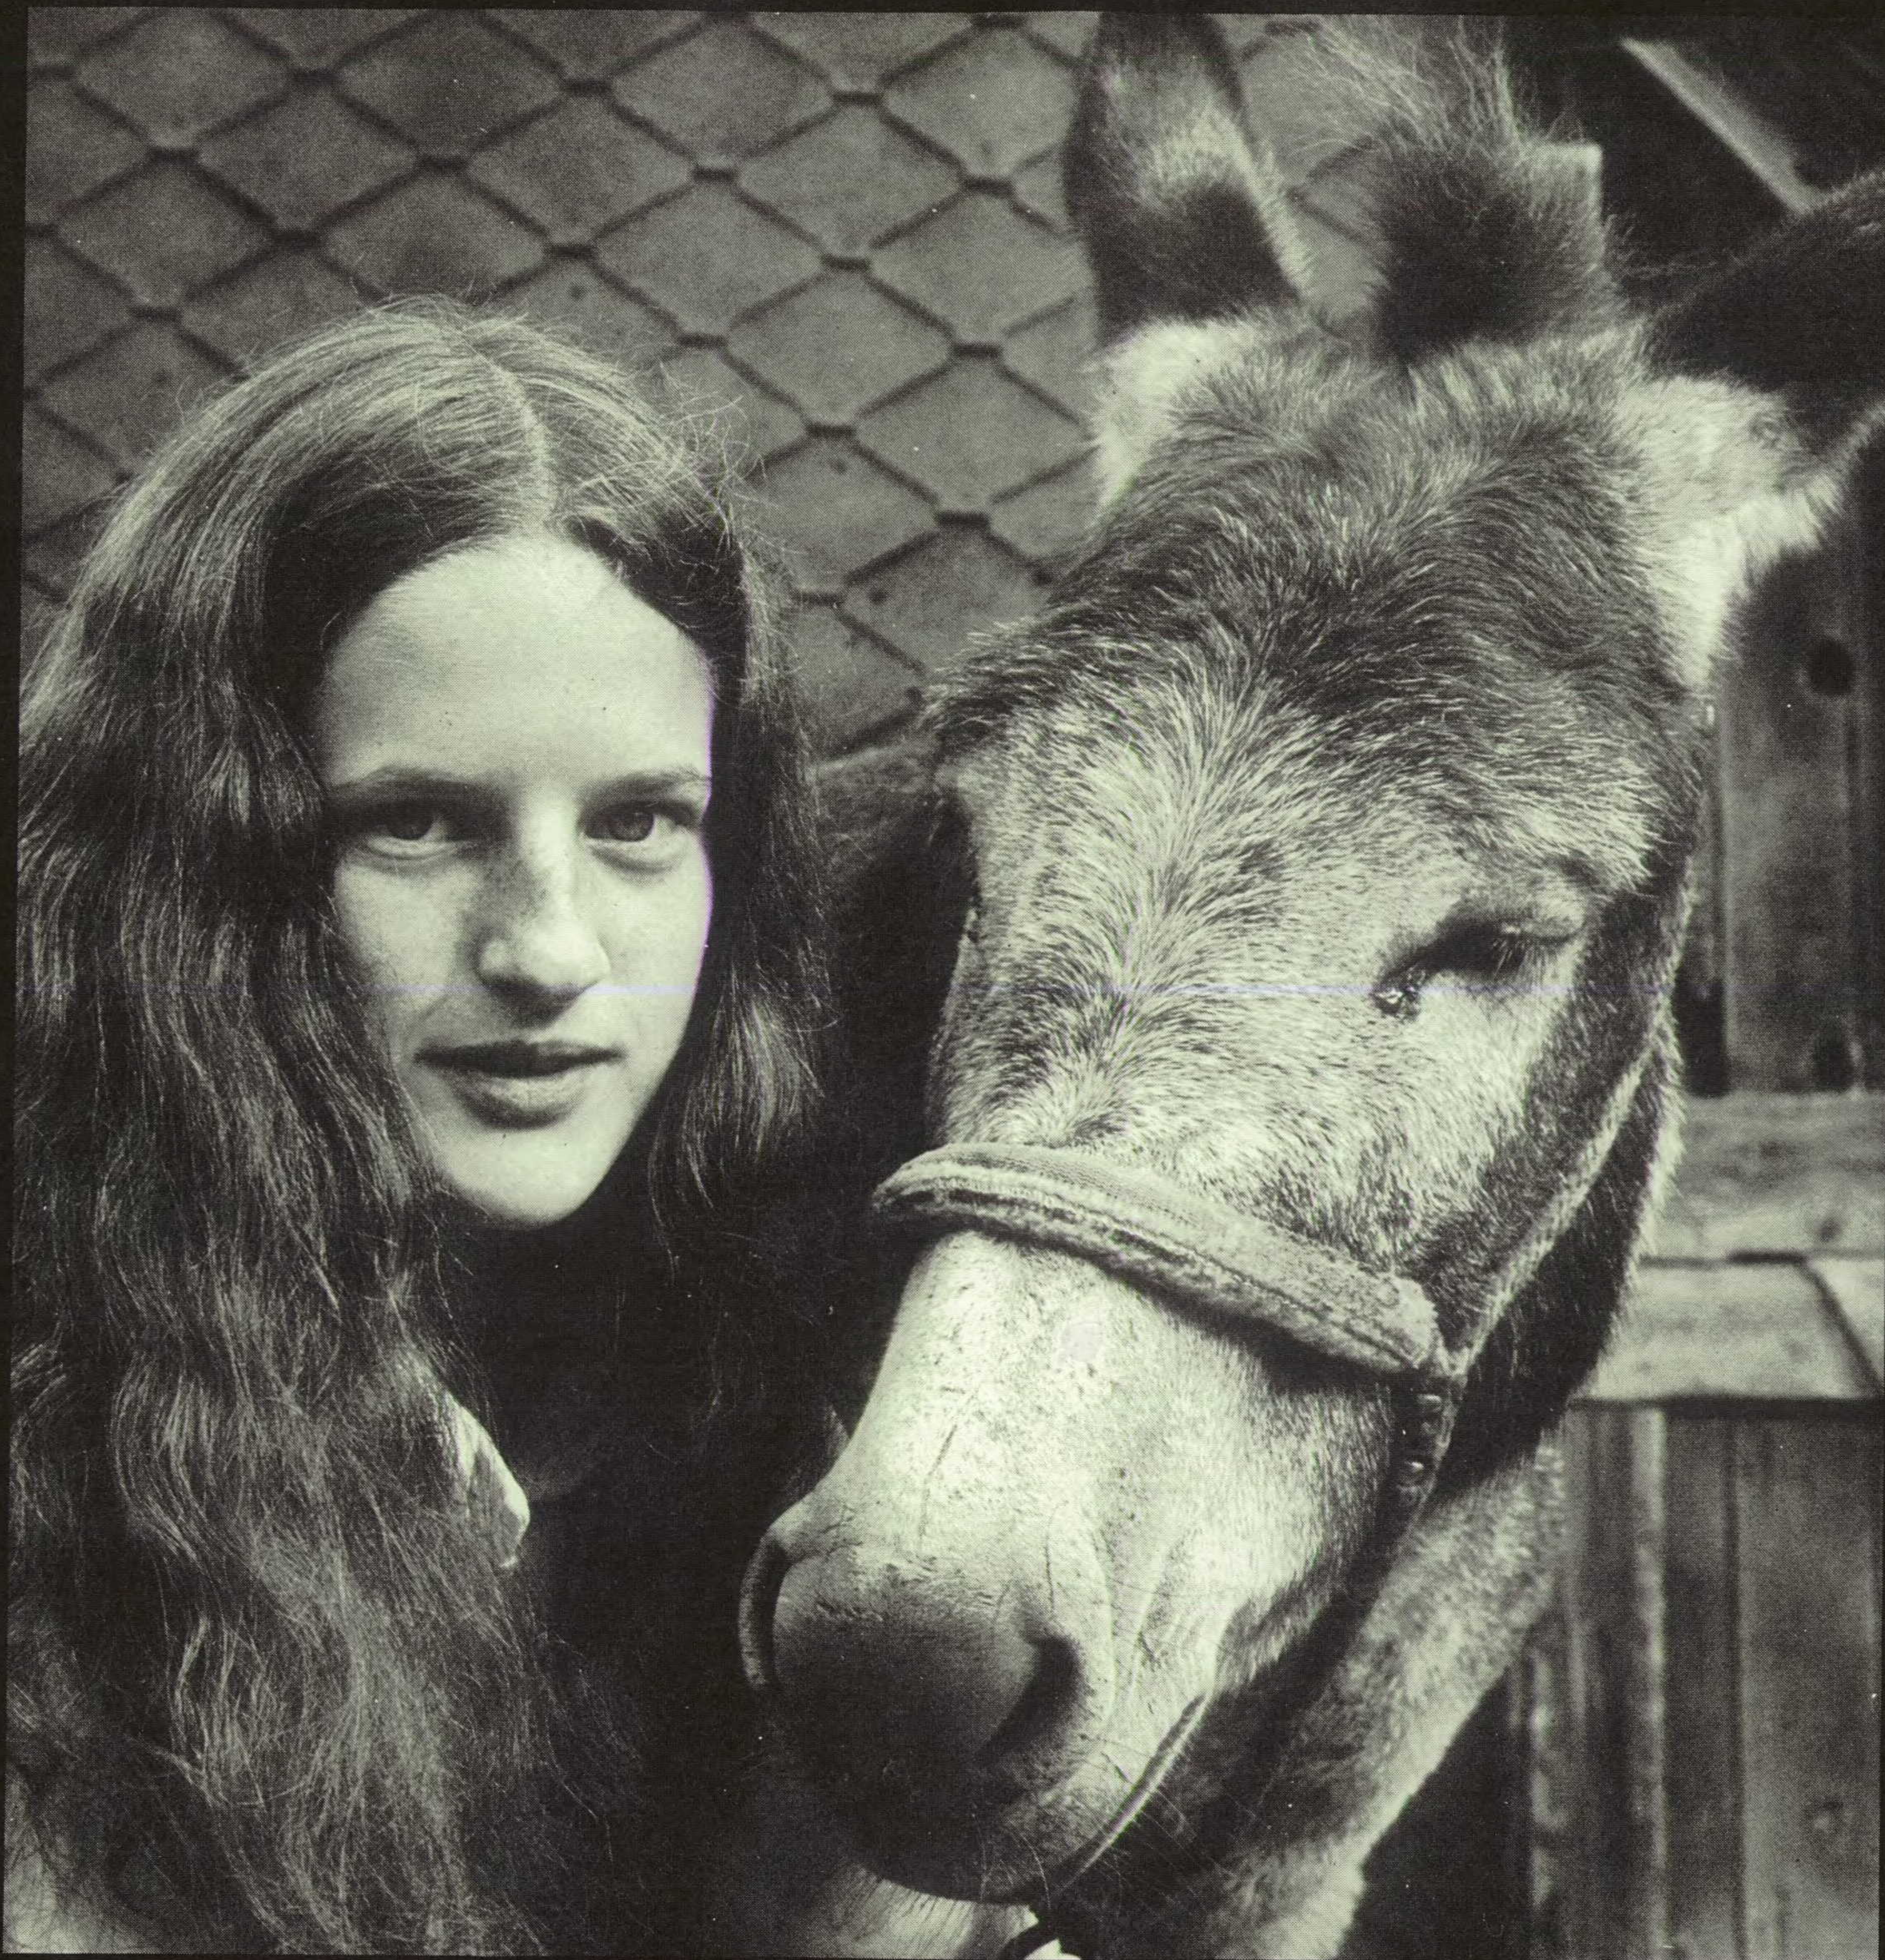

"If you wish to see the valleys,
climb to the mountain top; if
you desire to see the mountain
top, rise into the cloud, but
if you seek to understand the
cloud, close your eyes and think."

Paula Elizabeth Leuchs

"It was but yesterday I thought myself a fragment quivering without rhythm in the sphere of life. Now I know that I am the sphere, and all life in rhythmic fragments moves within me."

Leslie Ellsworth Spicer
"Will ever the day come when
Nature becomes the teacher of
man, humanity his book and life
his school?"

Judith Coates Bateman

"Will ever the day come when the wise will bound together the sweet dreams of youth and the joy of knowledge?"

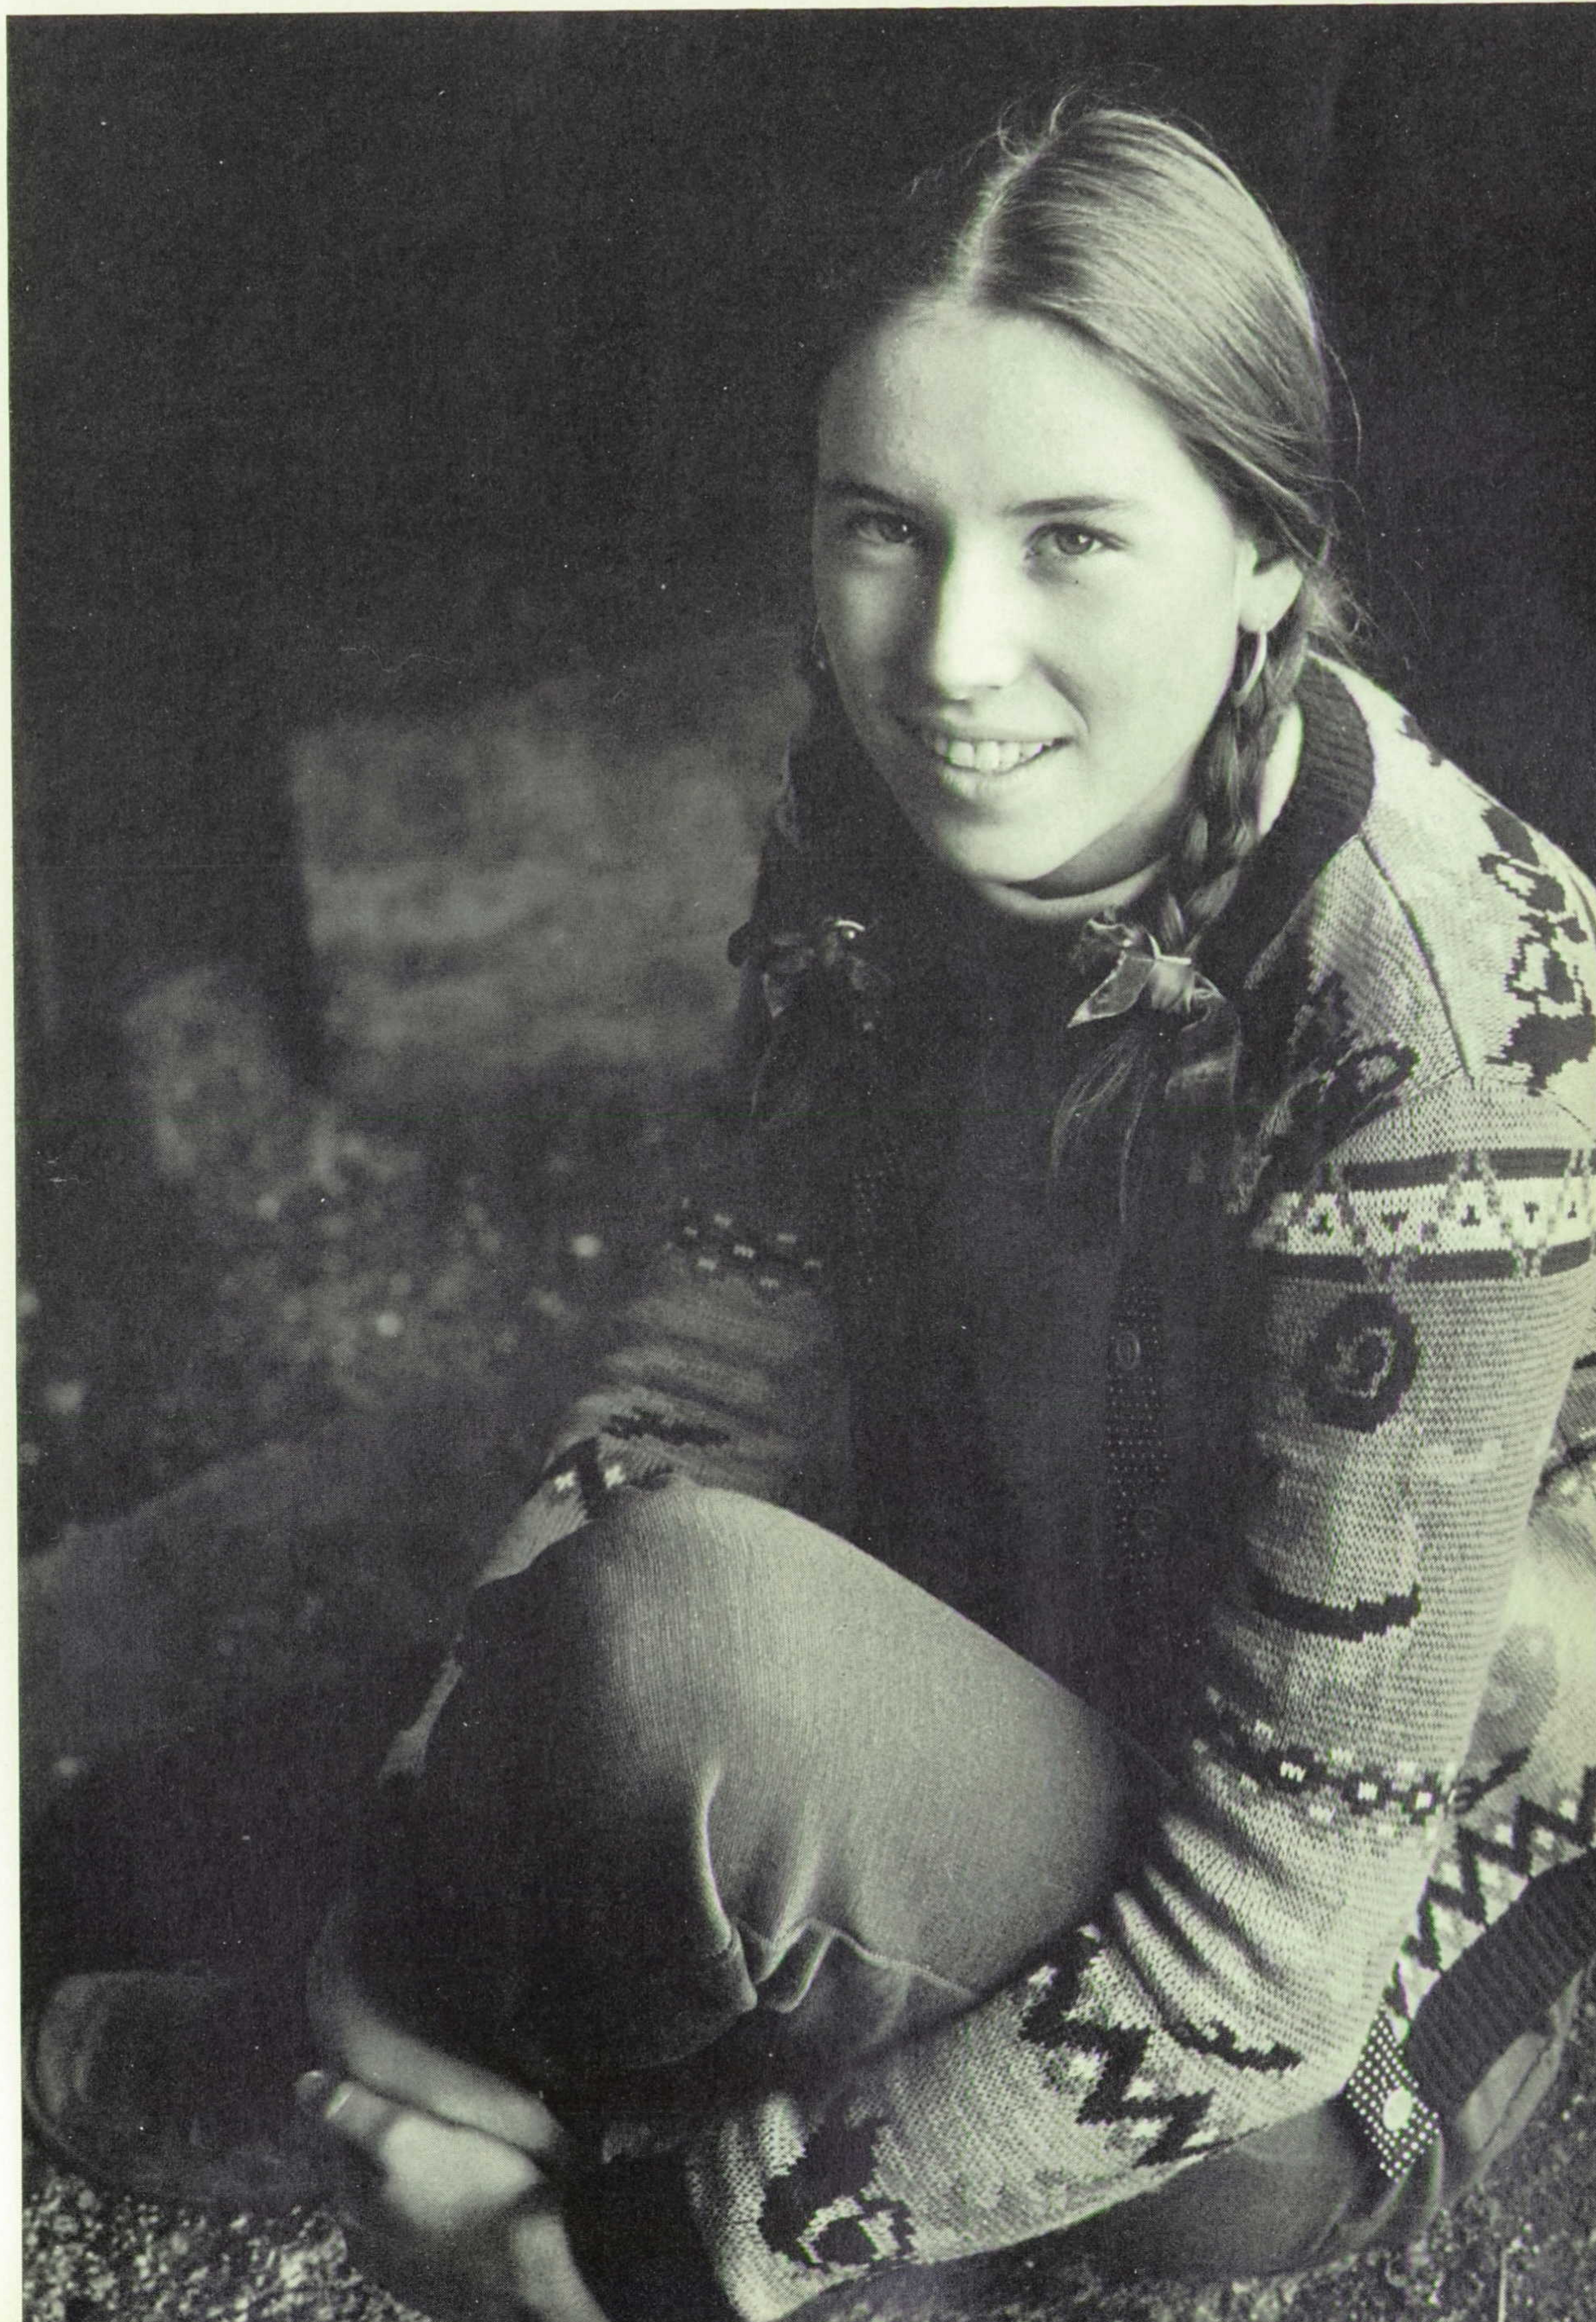

Barbara Riddell Thatcher
"For self is a sea boundless
and measureless."

Alice Maxine Rowley

"I would be the least among men with dreams and the desire to fulfill them, rather than the greatest with no dreams and no desires."

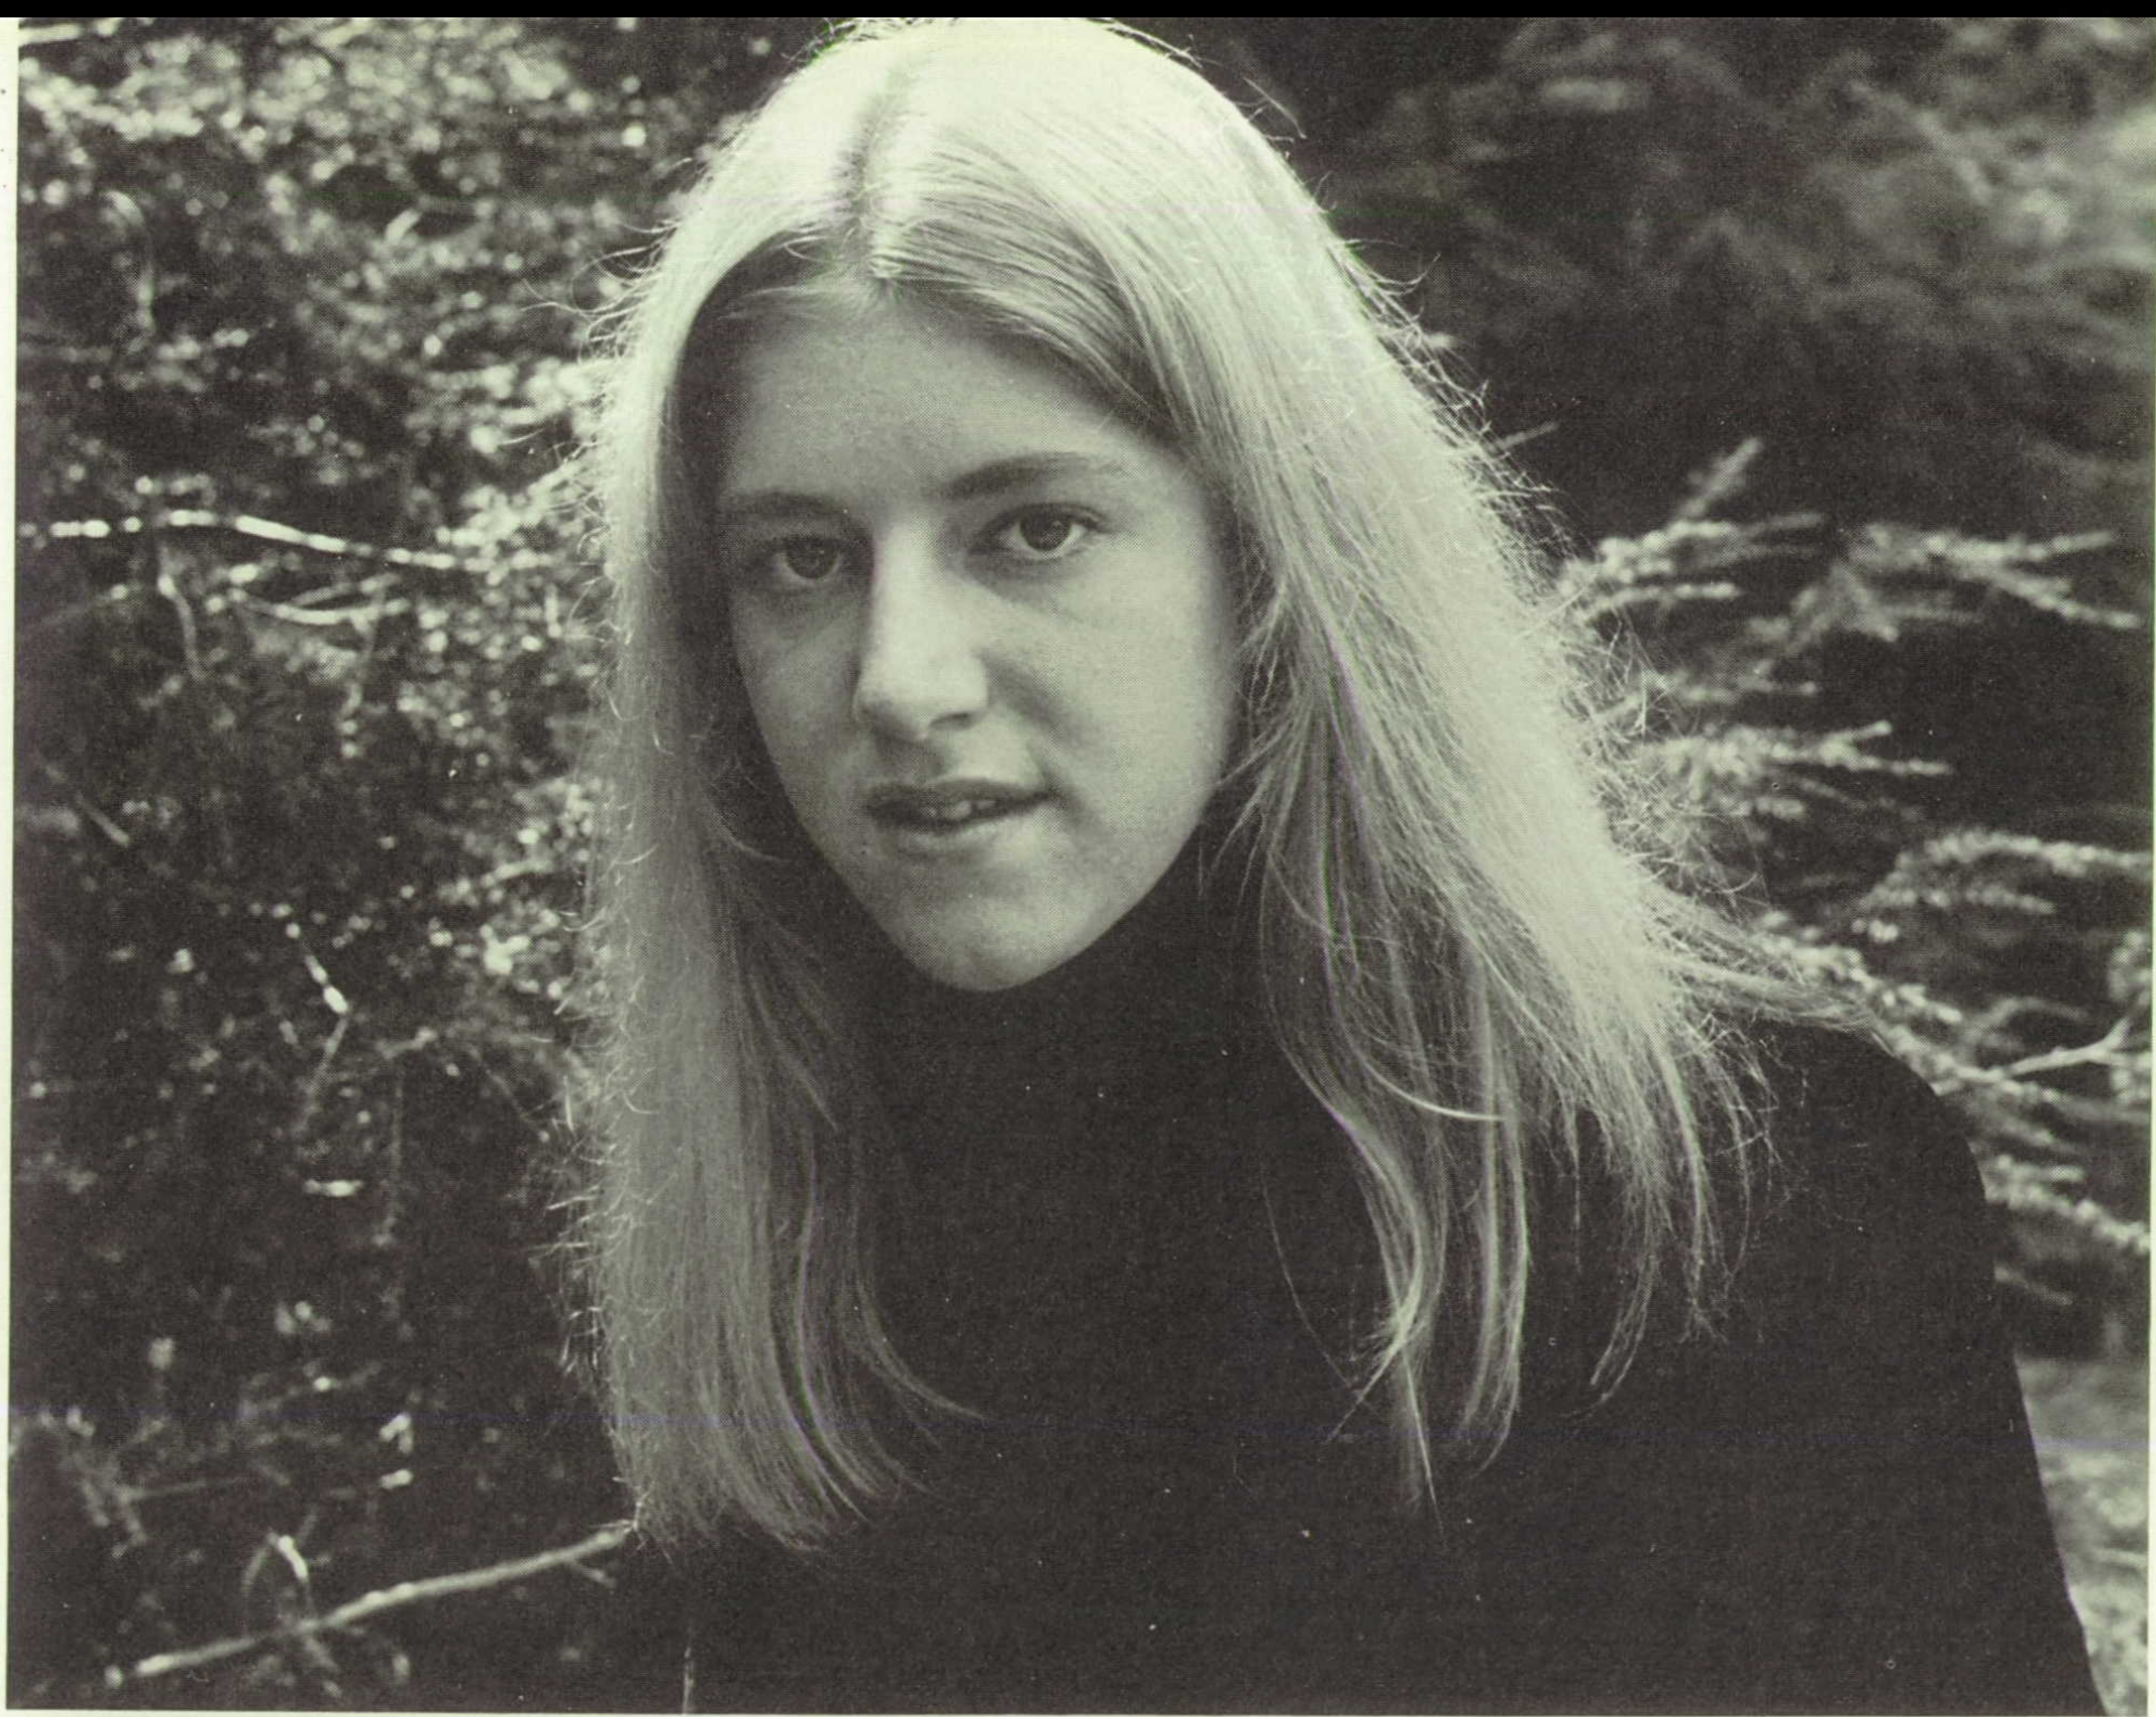

Joyce Muriel Haines

"My soul expanded and I was brought closer to Nature and her secrets, and my ears were opened to the language of her wonders."

Esther Steere Baird

"A traveller am I and a navigator,
and every day I discover a new re-
gion within my soul."

Diane Lynne Adams

"One may not reach the dawn
save by the path of night."

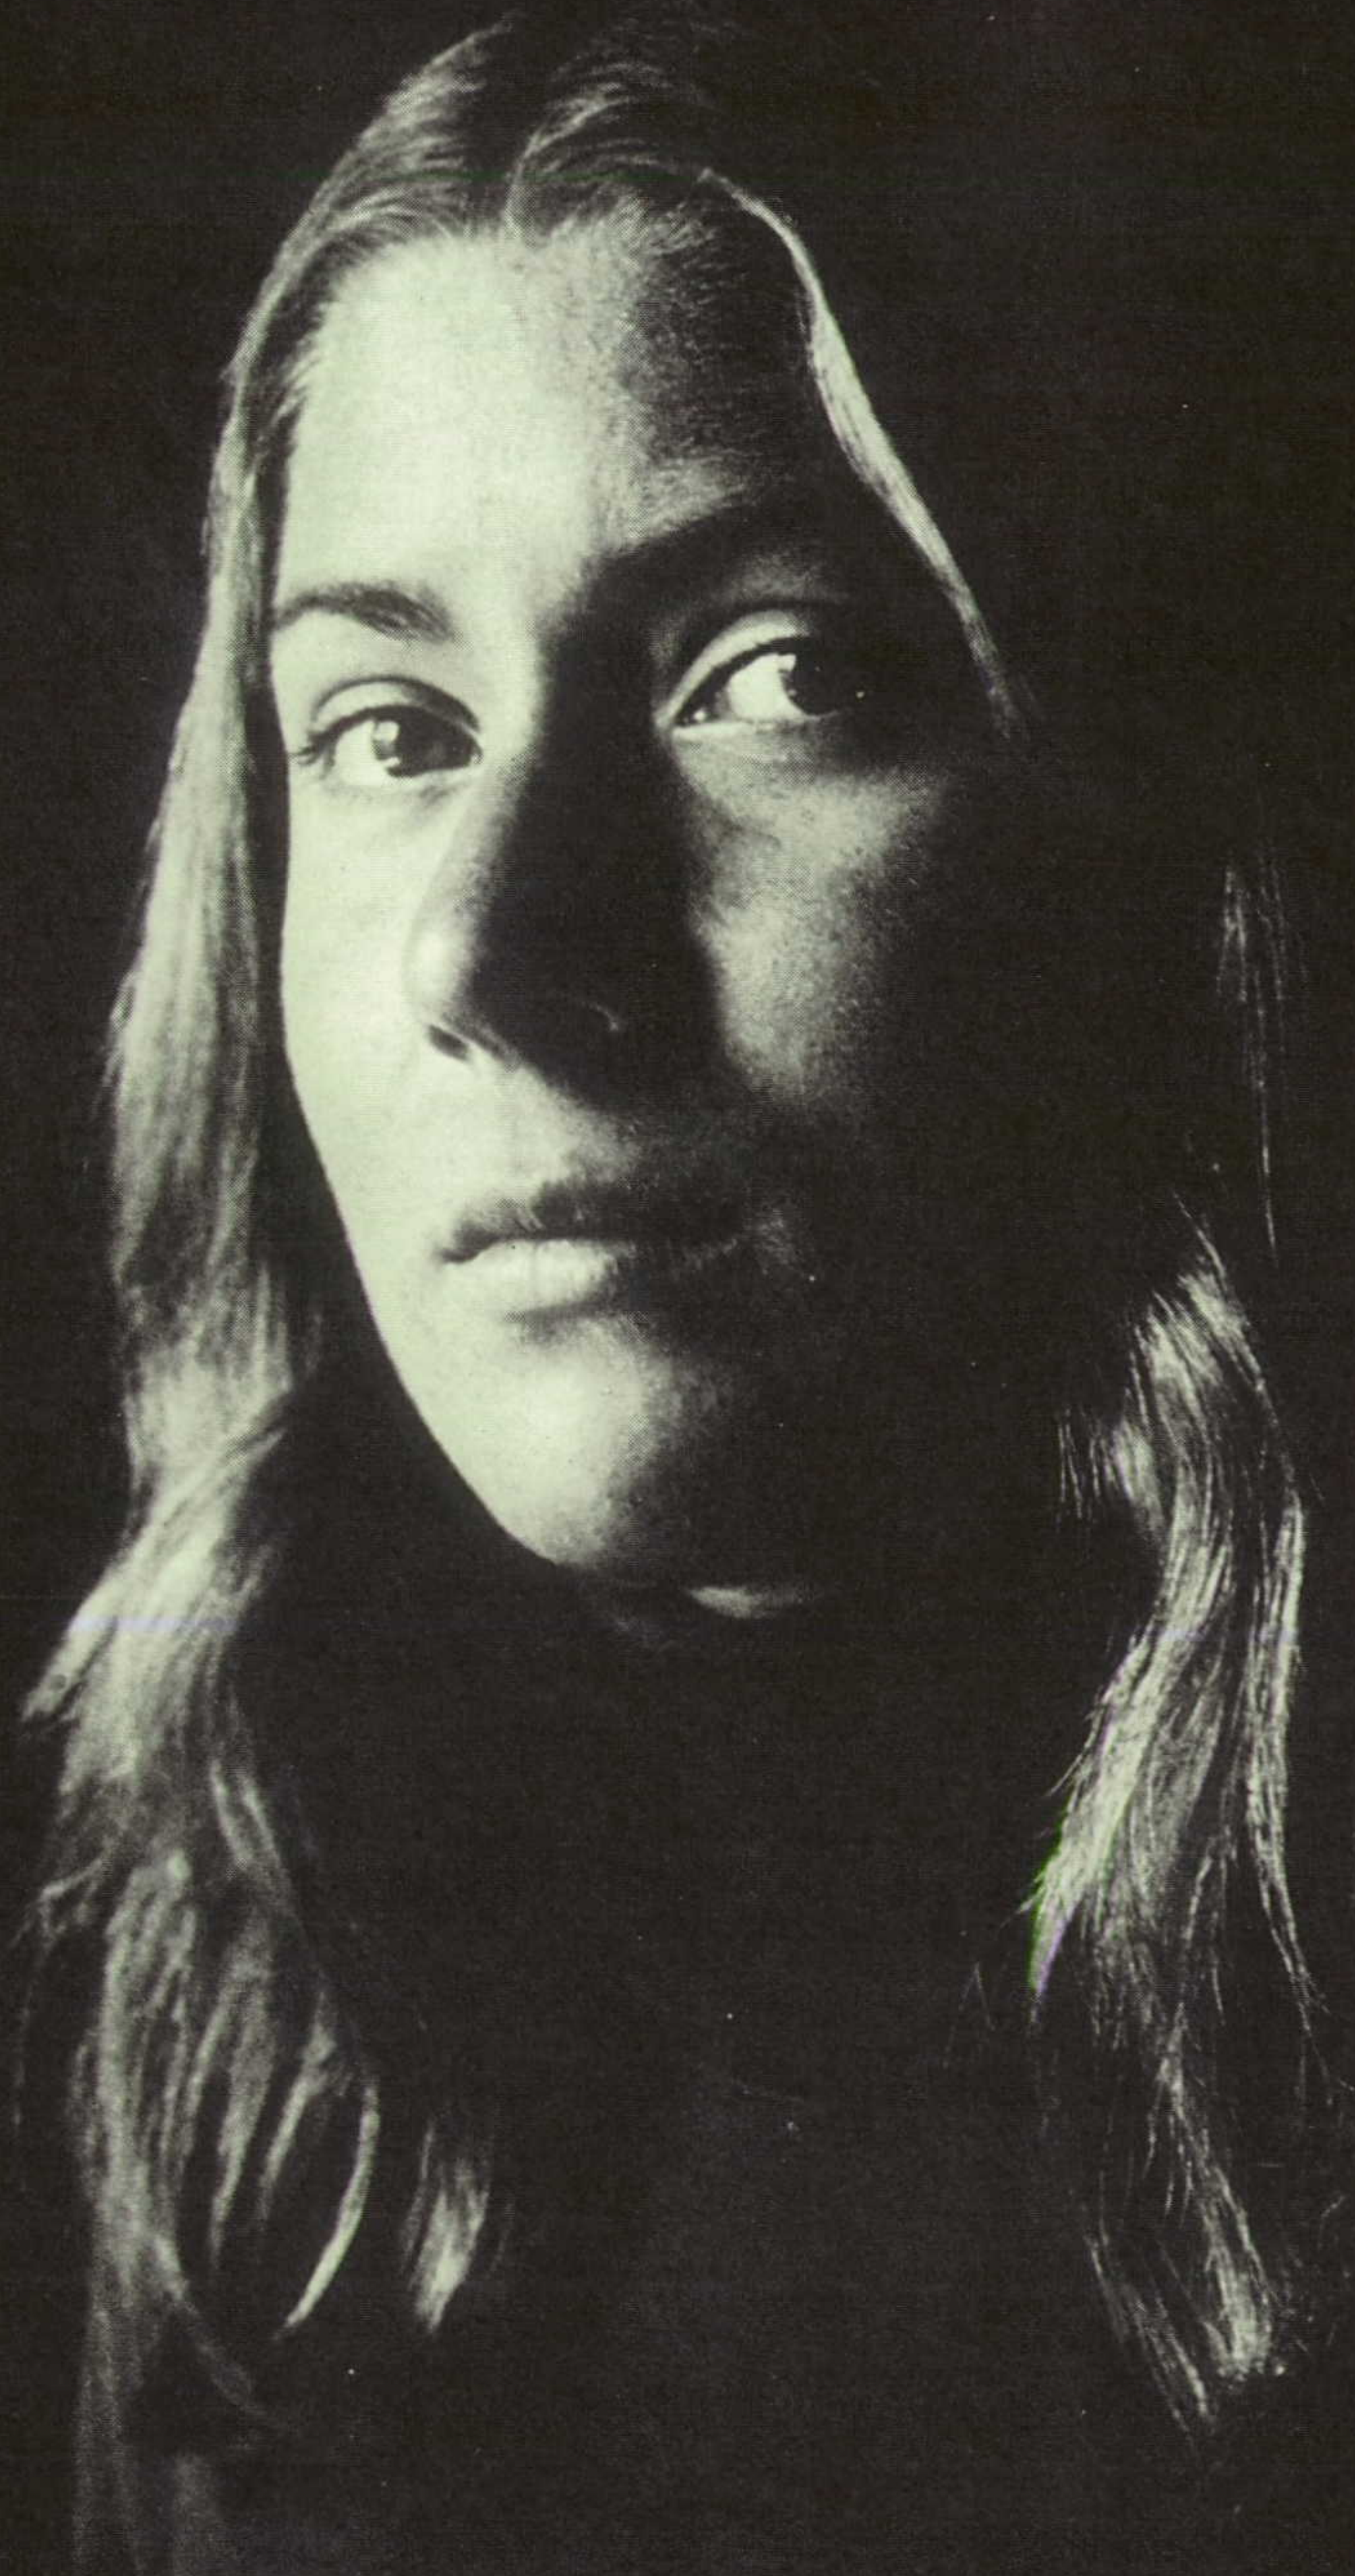

Susan Hatch

"Your reason and your passion
are the rudder and the sail of
your seafaring soul."

Karyl May Gordon

"The true light is that which emanates from within man, and reveals the secrets of the heart to the soul, making it happy and contented with life."

Nancy Ellen Bacon

"And the treasure of your infinite depths would be revealed to your eyes."

Robin Russell

"I prefer to be a dreamer among the humblest, with visions to be realized than lord among those without dreams and desires."

Pamela Playford Thompson

"In every winter's heart there
is a quivering spring,
And behind the veil of each
night there is a smiling dawn."

Dana Coe Knowlton

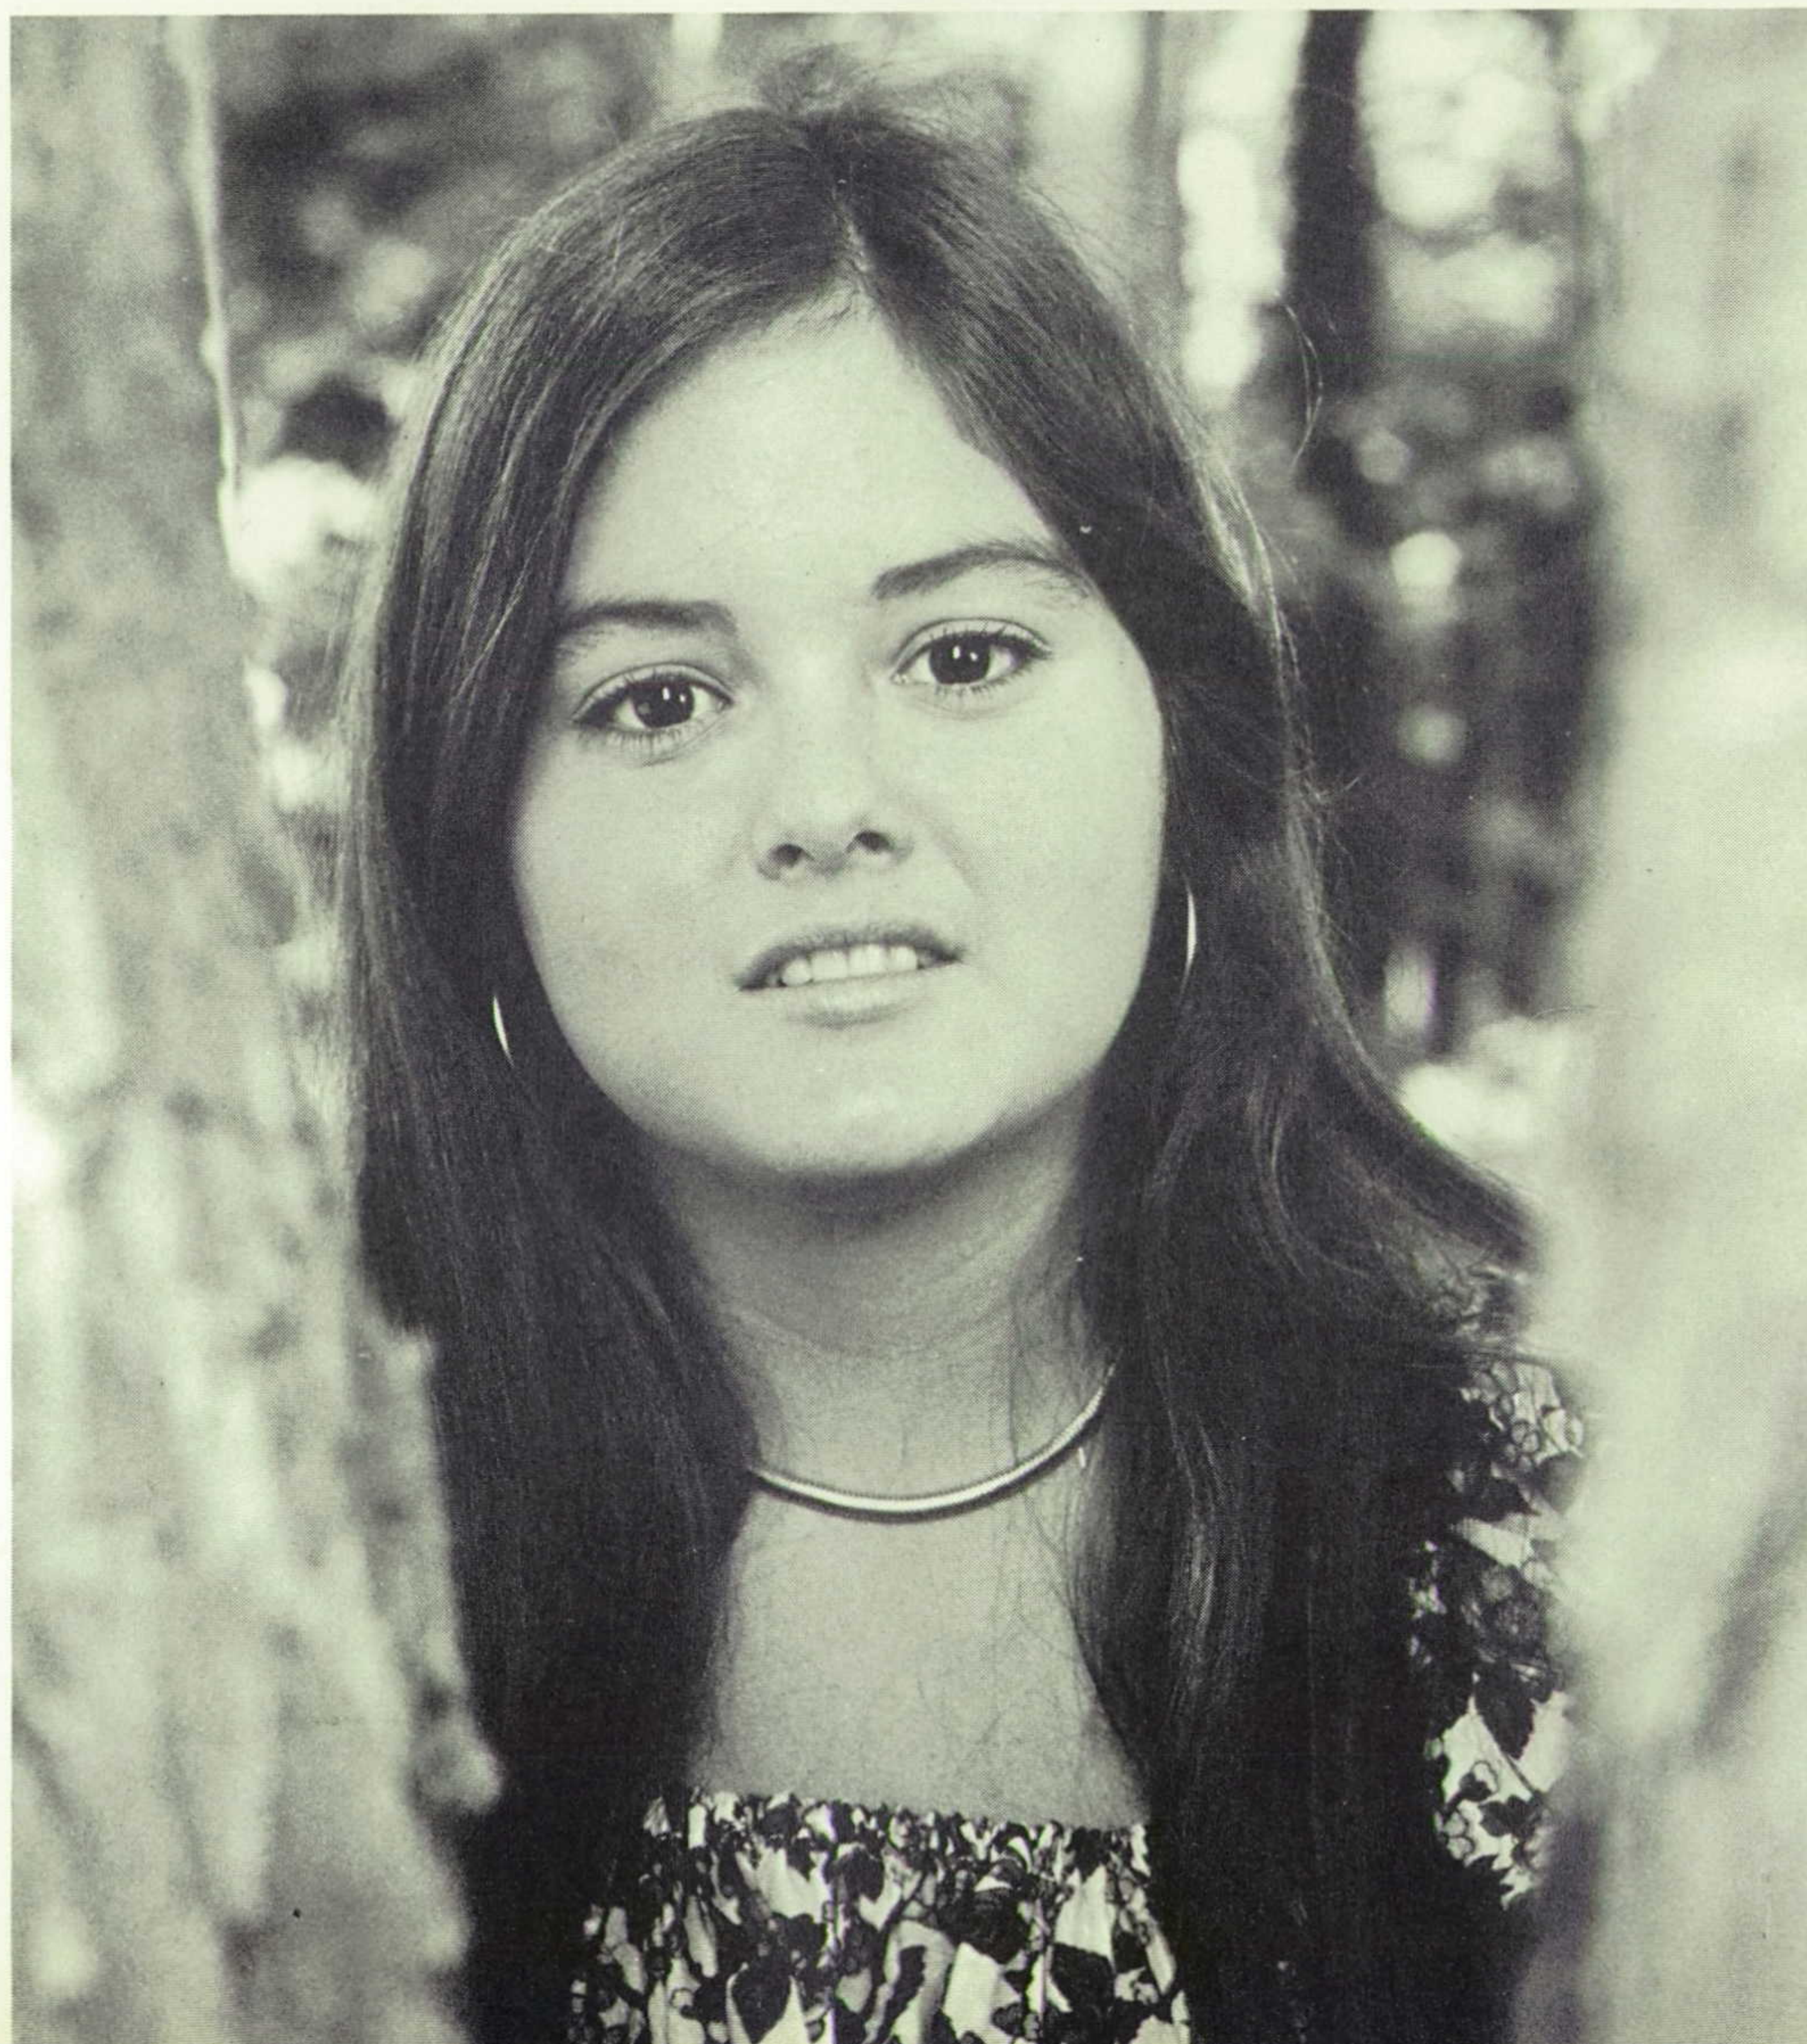

"You are like the ocean of love
that engulfs our spirits, but
does not drown them."

Ann Patrice Costelloe
"Like the tempest she shakes the
earth beneath us and the sky
above us."

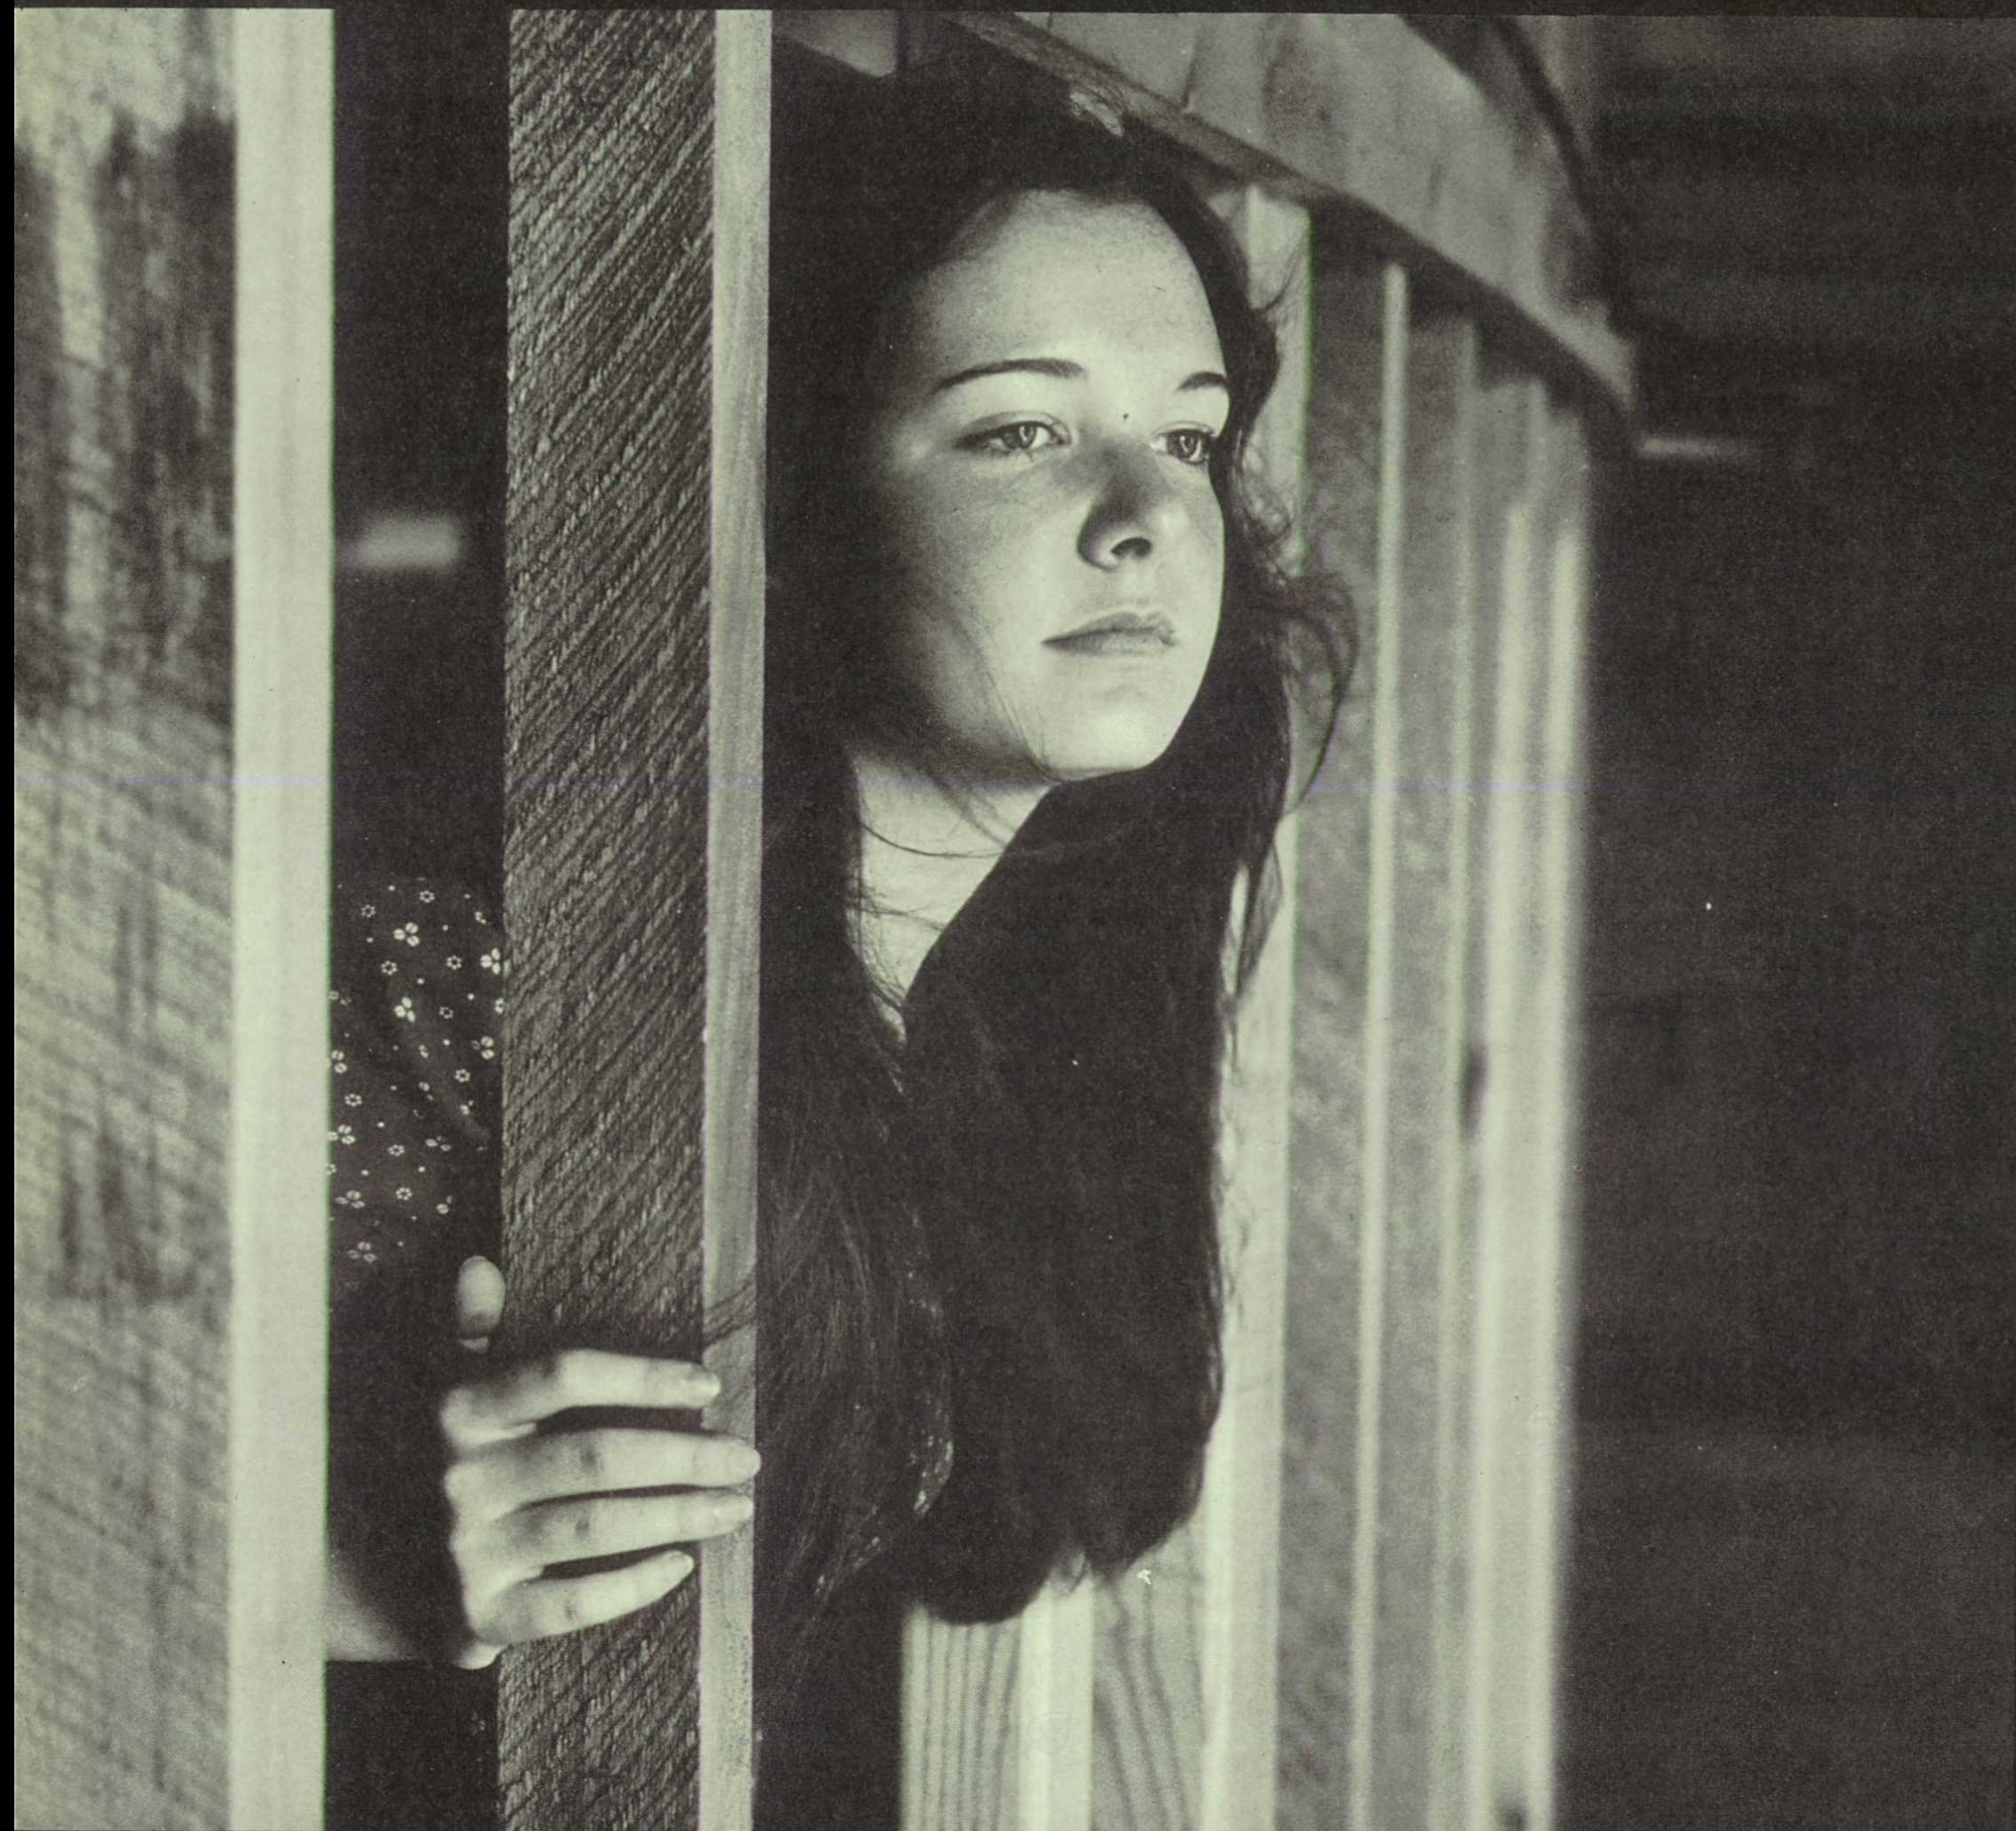

Mary Ludlow Rives

"You are like a flower that grows
in the shade; the gentle breeze
comes and bears your seed into
the sunlight, where you will
live again in beauty."

Kirby Barit

"That which is in you dwells
above the mountain and roves
with the wind."

Sheila Broderick Donahue
"And like seeds dreaming beneath
the snow your heart dreams of
spring."

Lee Norris Garvey

"The mountain veiled in mist is
not a hill;
An oak tree in the rain is not
a weeping willow."

Catharine Eileen Jackson
"You ascend with the hills, and
descend with the valleys, diffus-
ing yourself over field and
meadow."

Elizabeth Rachel Morris
"And when you have reached the
mountain top, then you shall
begin to climb."

Suzanne Marie Schroeter

"I am forever walking upon these
shores

Betwixt the sand and the foam.

The high tide will erase my
footprints

And the wind will blow away
the foam

But the sea and the shore will
remain

Forever."

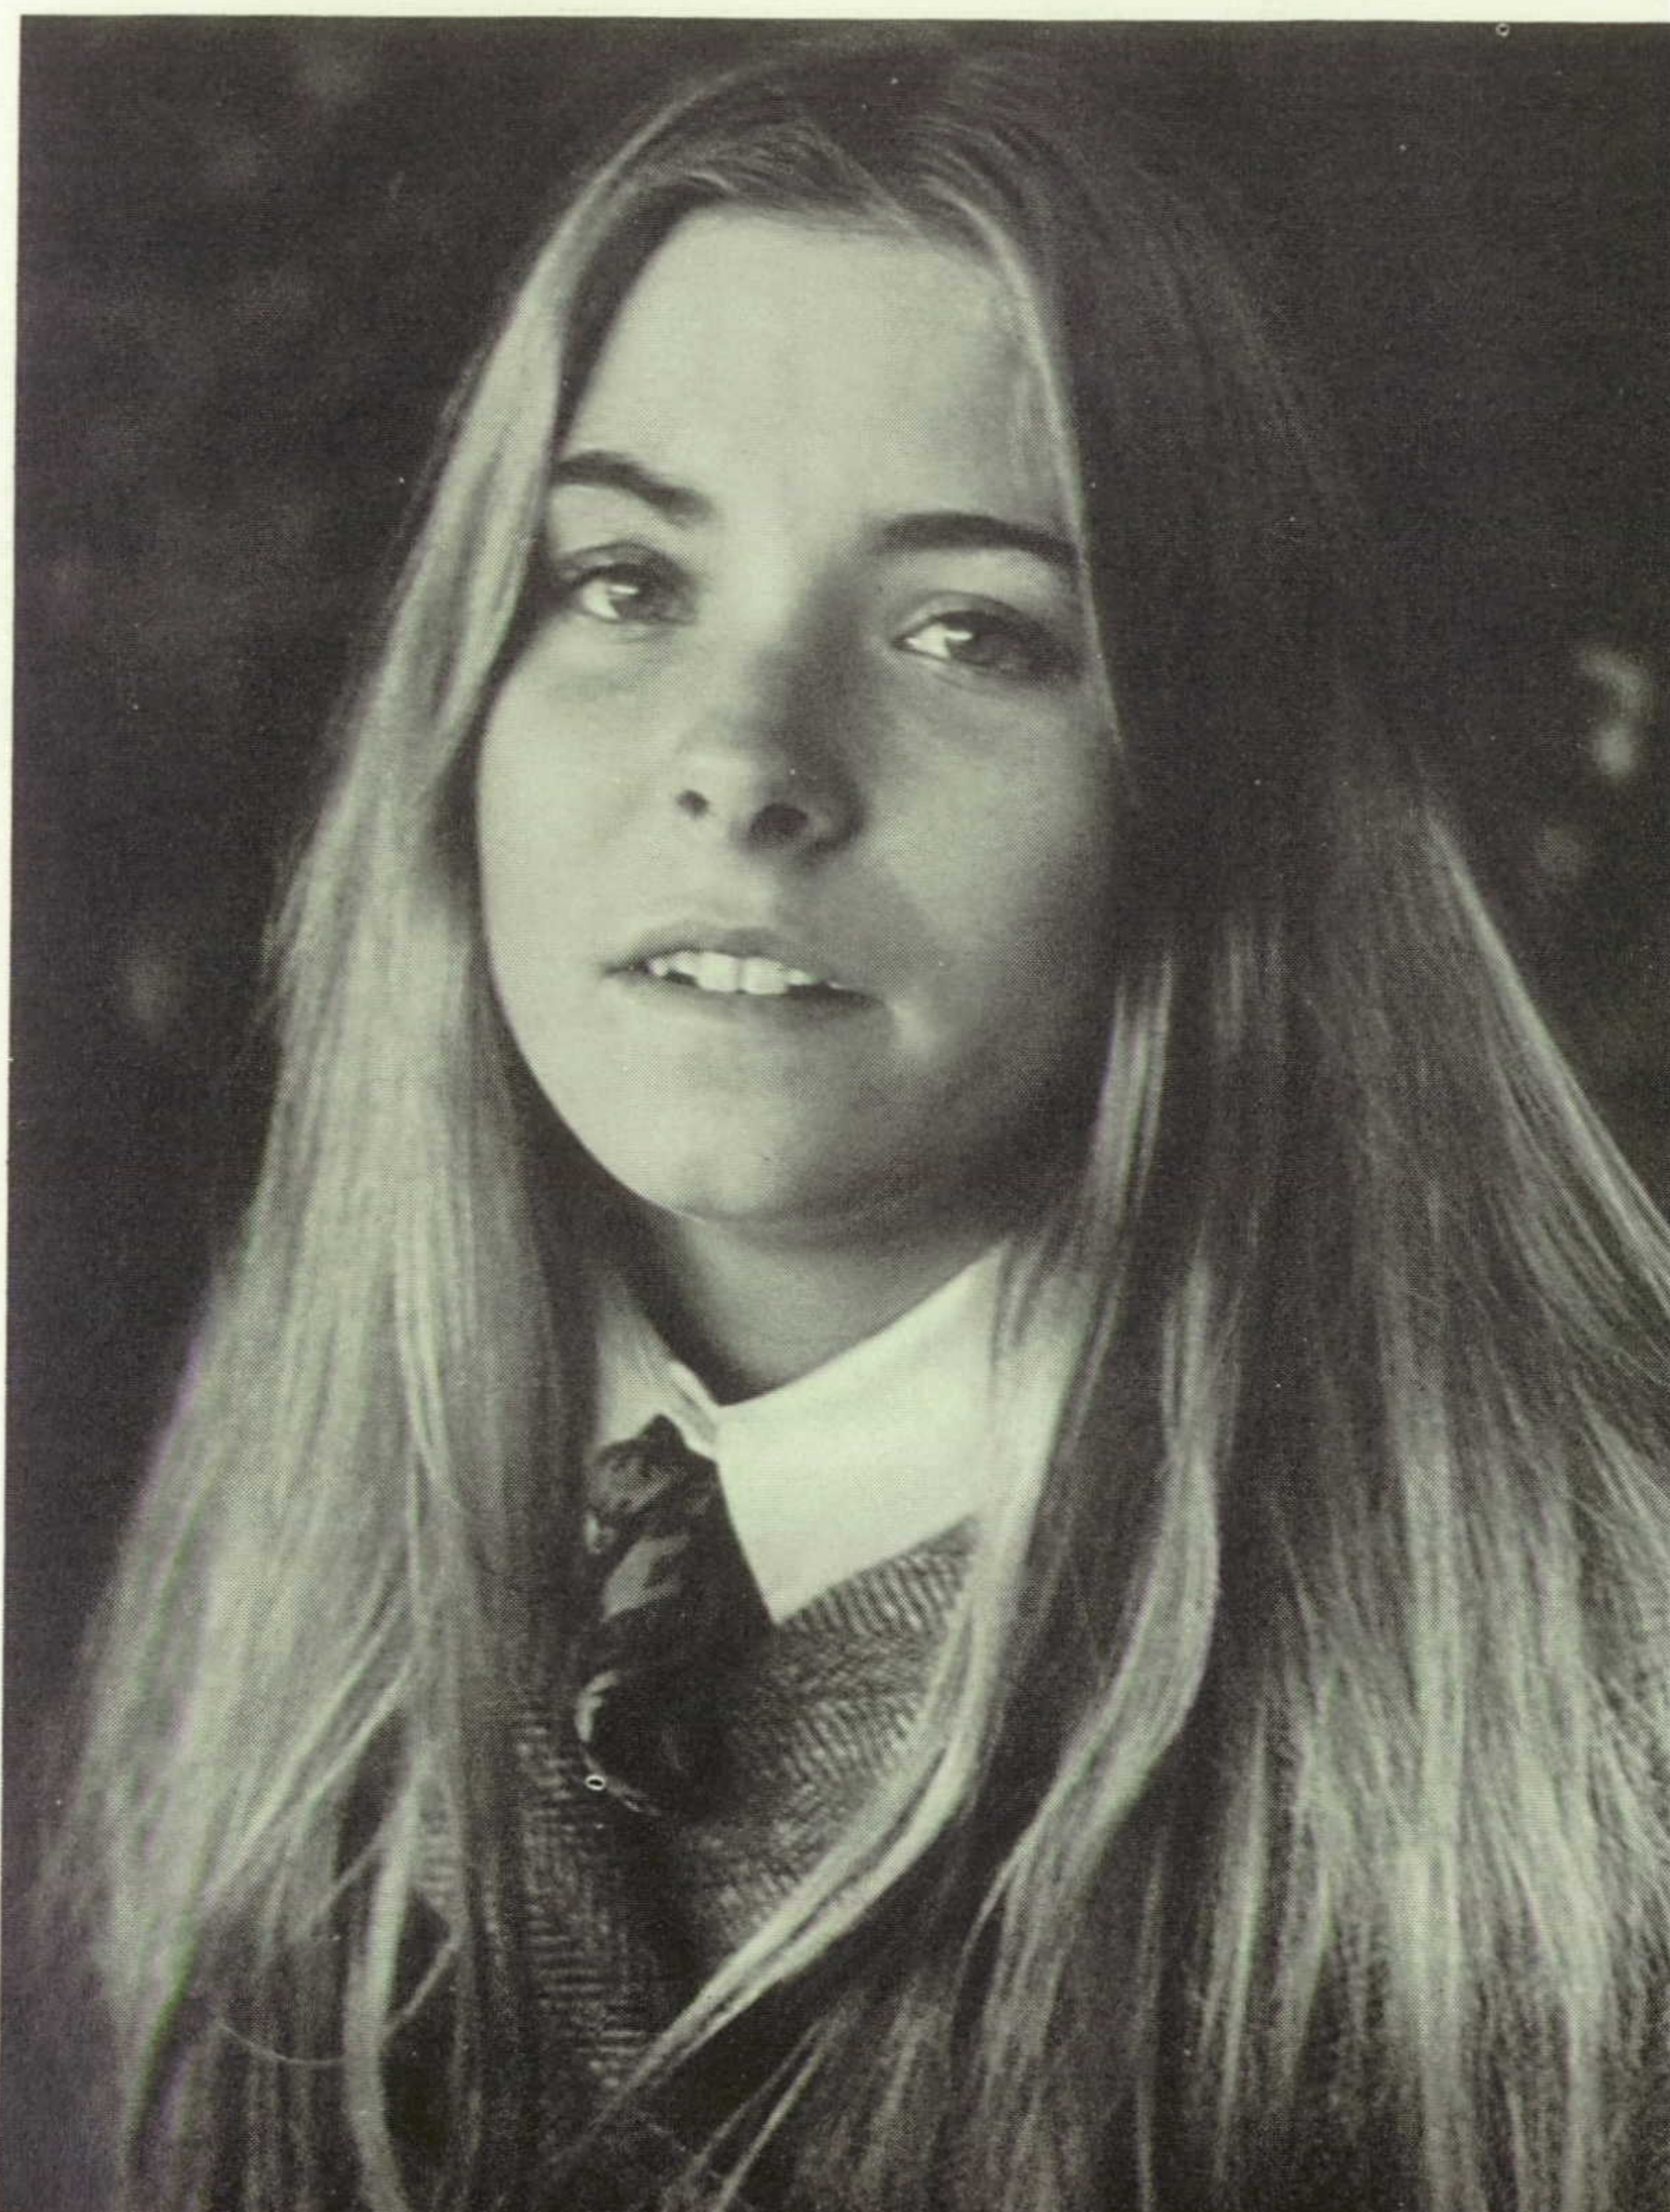

Melissa Ann Miles
"I discovered the secret of
the sea in meditation upon
the dewdrop . . ."

Deborah Marie Pixley

"I saw friendship strengthened between man and all creatures and claws of birds and butterflies, confident and secure, winging toward the brooks."

**Jeanette Greeley**

"I was,
And I am.
So shall I be till the end of
time,
For I am without end."

Frances Dora Gardener
"Ready am I to go, and my eager-
ness with sails full set awaits
the wind."

Carmella Mary Sacco
"Give me silence and I will
outdare the night."

Mary Paull Hubbard
"I and the shore are lovers:
The wind unites us and
separates us."

Noreen Claire Mallon

"Wherever I look I see life's secrets lying open before me."

Karen Jane Slingerland

"When God threw me, a pebble, into this wondrous lake I disturbed its surface with countless circles. But when I reached the depths I became very still."

Jane Patricia Lebeau
"The soul unfolds itself like a
lotus of countless petals."

Deborah Anne Heye

"To wake at dawn with a winged
heart and give thanks for
another day of loving . . ."

Nancy Johnson Van Vleck

"For the breath of life is in
the sunlight and the hand of
life is in the wind."

Beth Spencer Ralston
"Her heart like a primeval
valley that echoes all voices . . ."

Denise Kurtz Parks

"There must be something
strangely sacred in salt.
It is in our tears and in
the sea."

Anne Lyttleton Barnum

"And you would watch with serenity through the winters of your grief."

Rebecca Rice

"In the will of man there is
a power of longing which turns
the mist in ourselves into sun."

Sandra Ladson Dana

"I freed myself yesterday from the
clamor of the city and walked in
the quiet fields until I gained
the heights, which Nature had
clothed in her choicest garments."

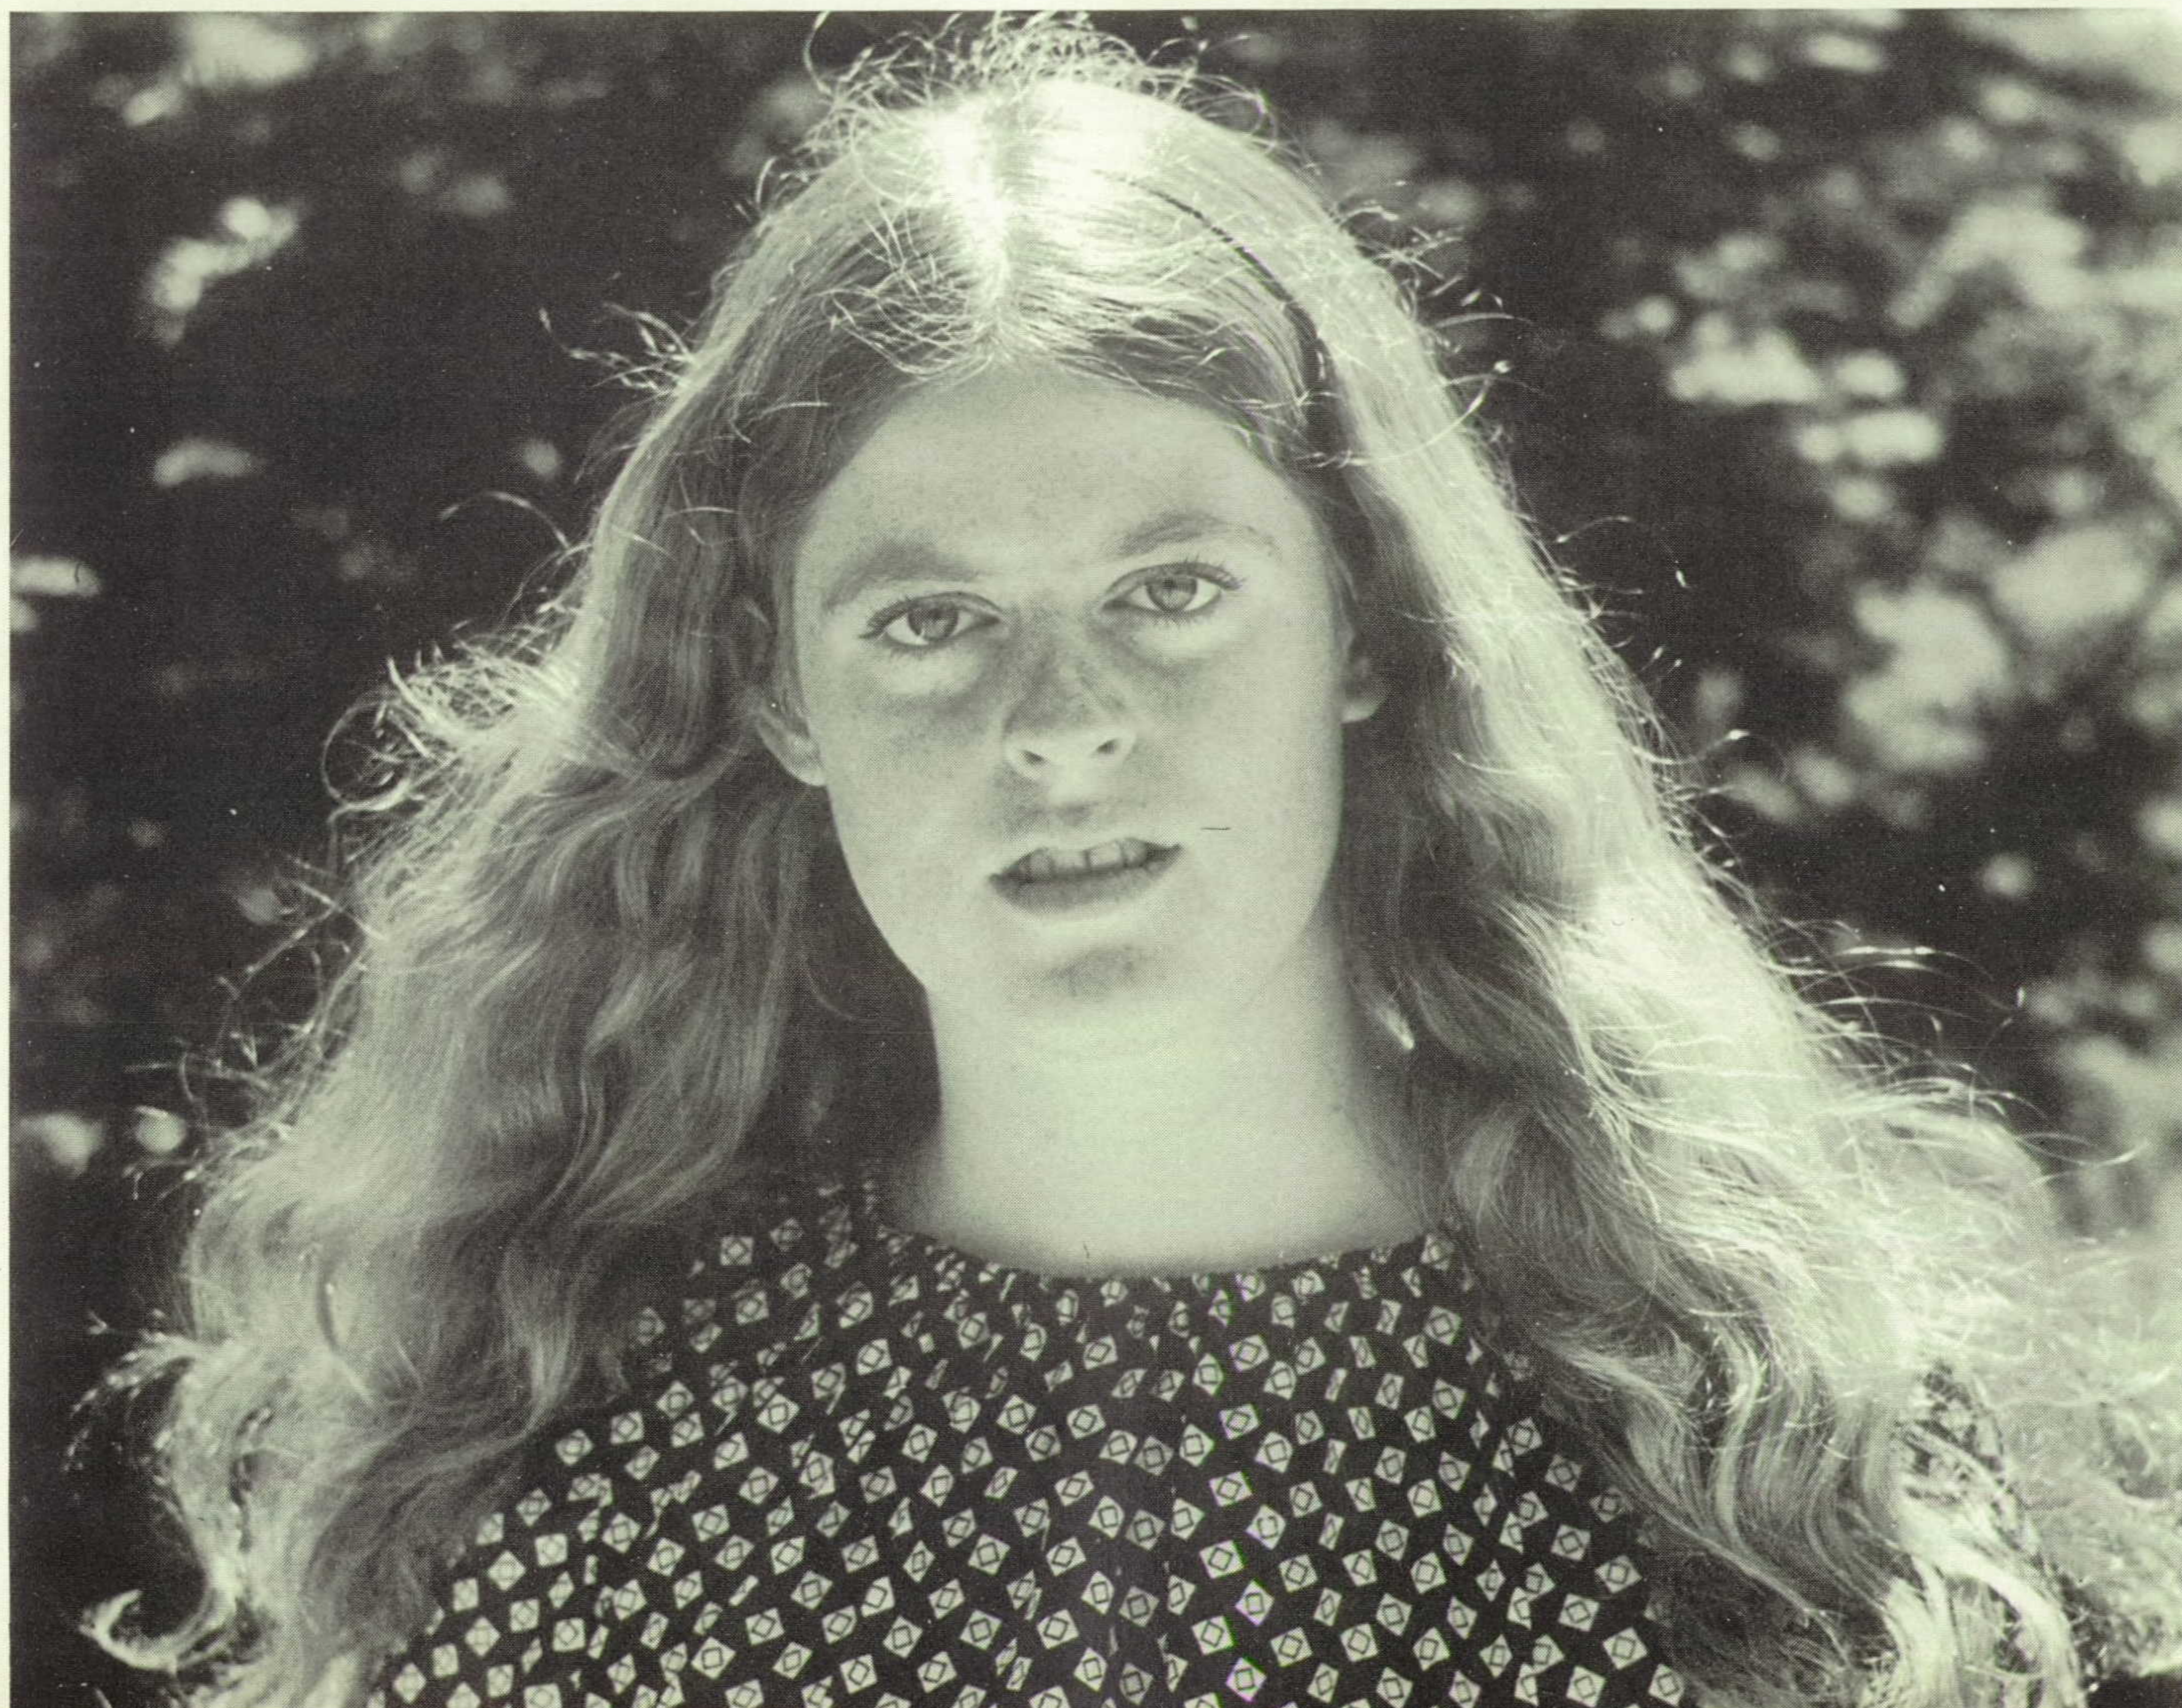

Nancy Kanter

"Does the song of the sea end at the shore or in the hearts of those who listen to it?"

Sarah Ann Watson

"When I planted my pain in the field of patience it bore fruit of happiness."

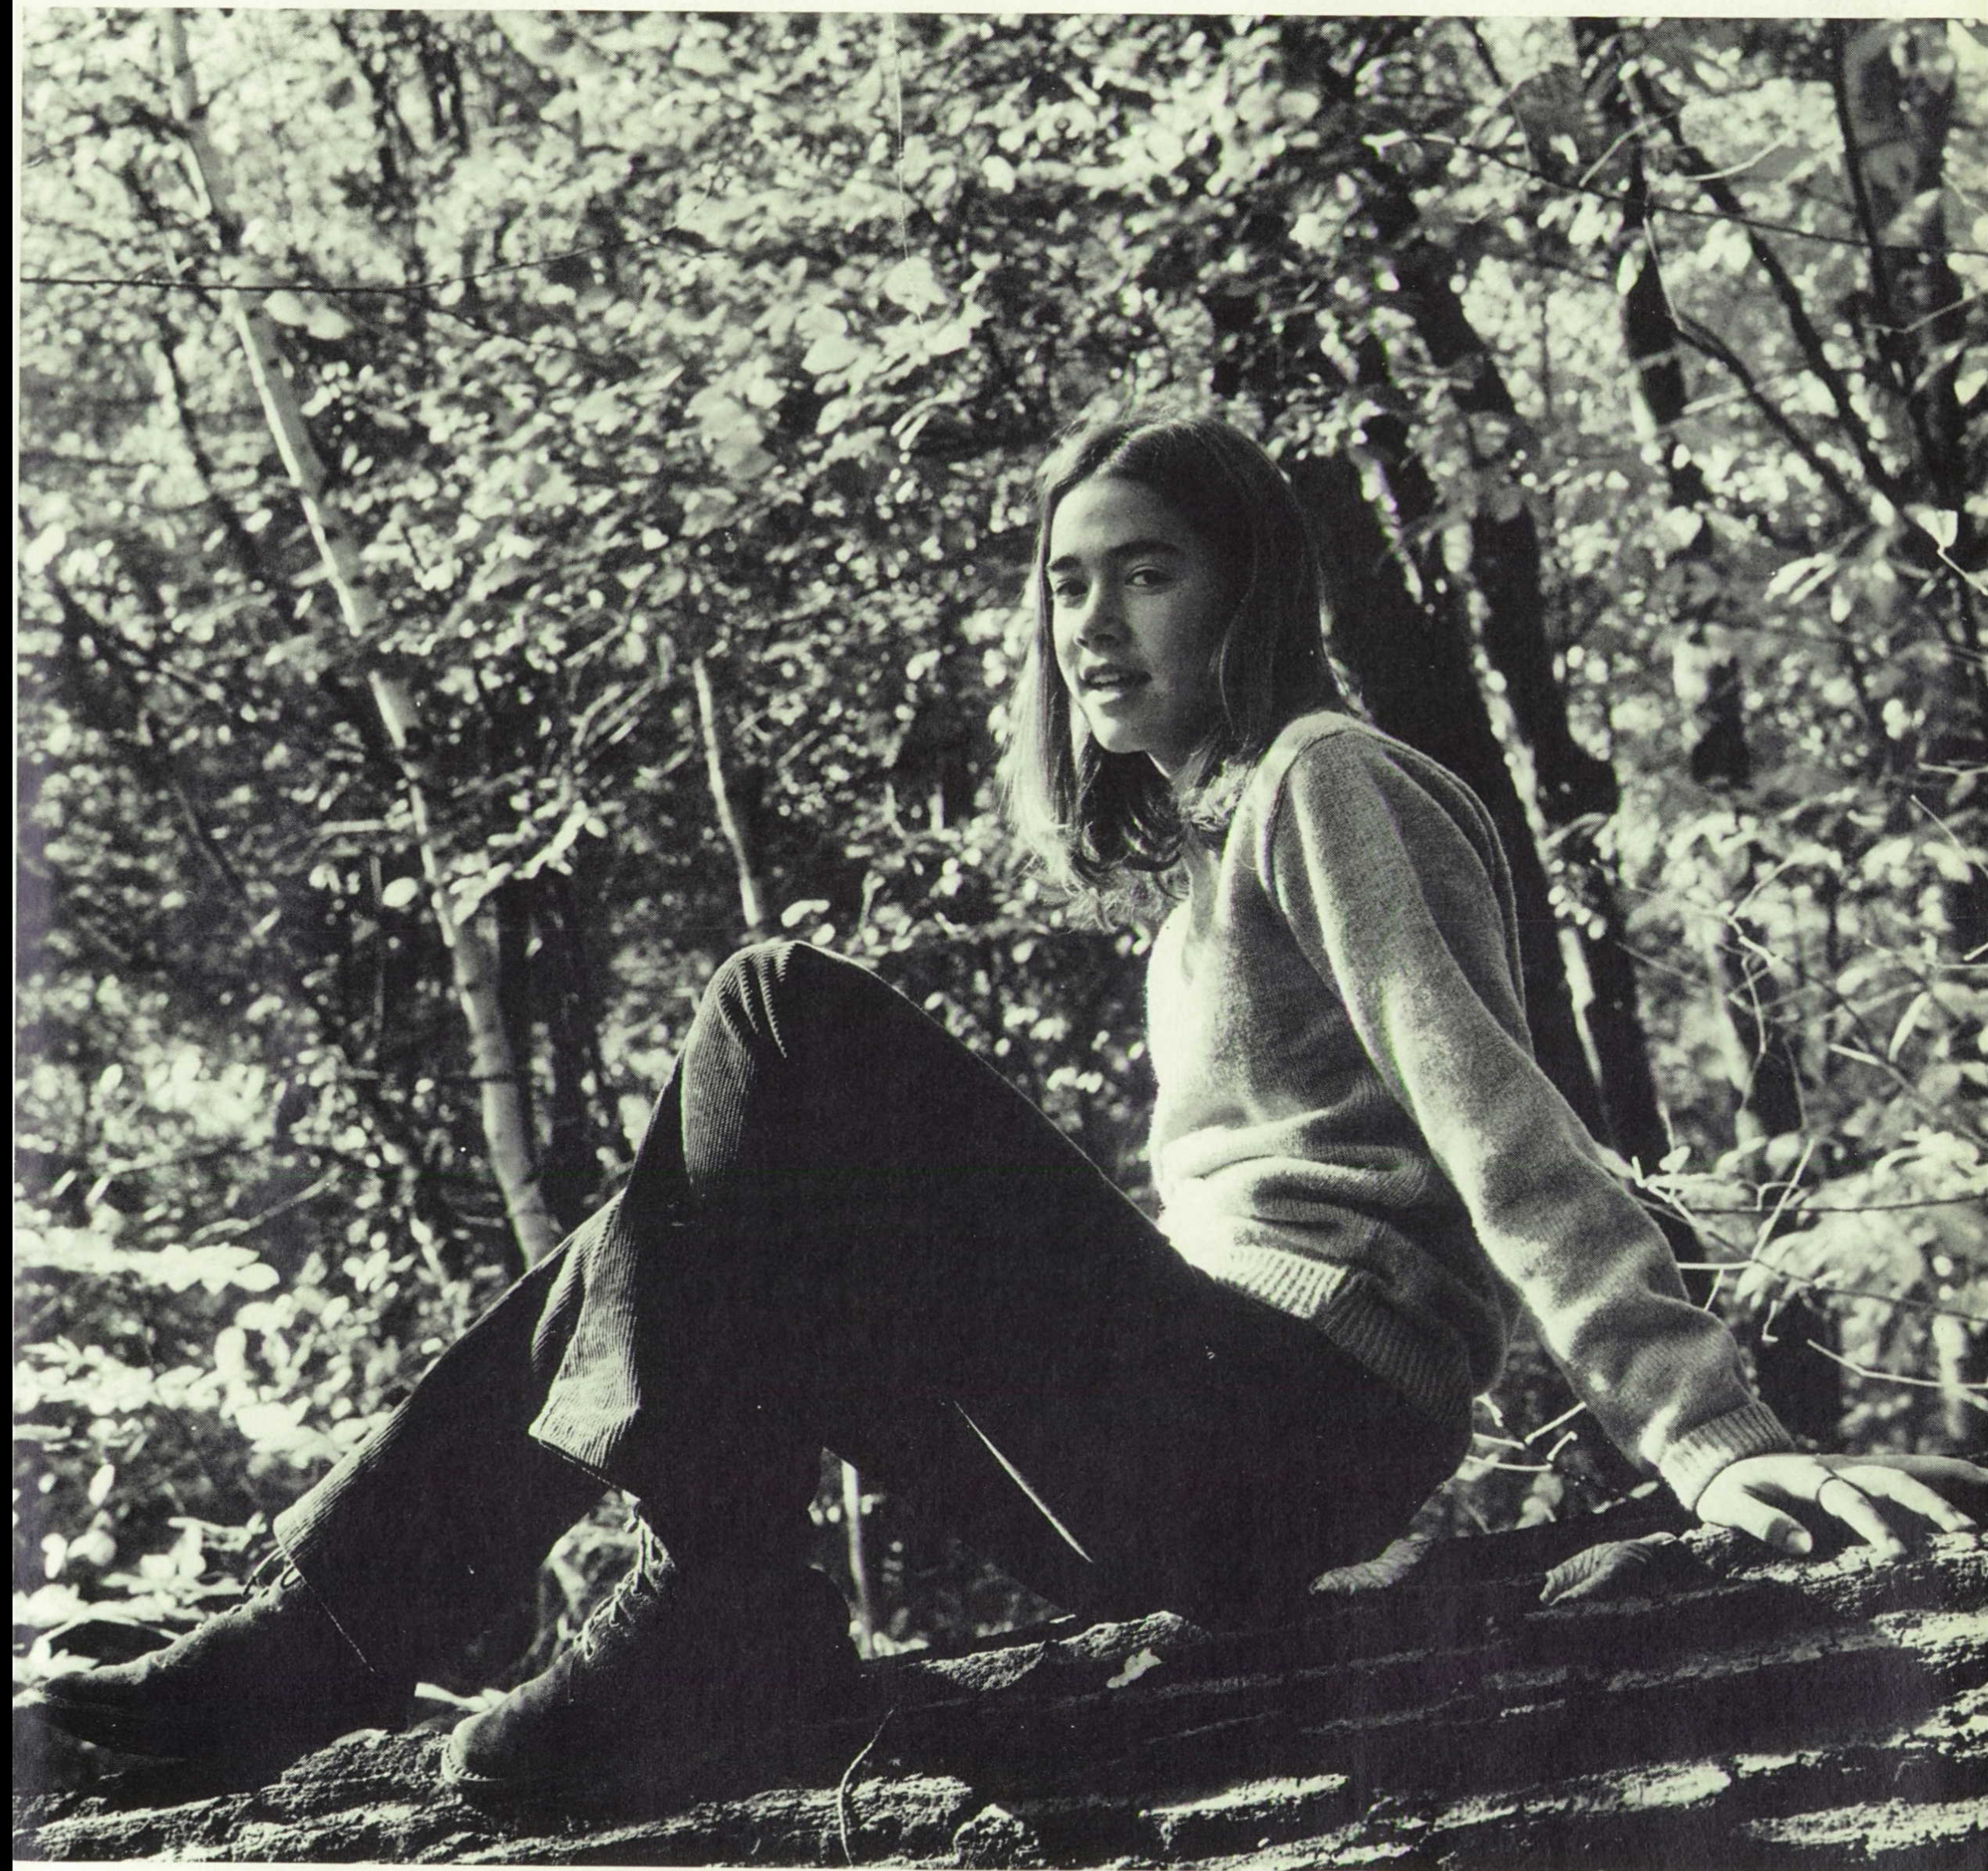

Dianna Robin Dennis
"You wrote your songs on the
face of the waters."

Elizabeth Ann Keegan

"For in the dew of little things
the heart finds its morning and
is refreshed."

Sheila Phelps Kelley
"How noble is the sad heart
that would sing a joyous song
with joyous hearts."

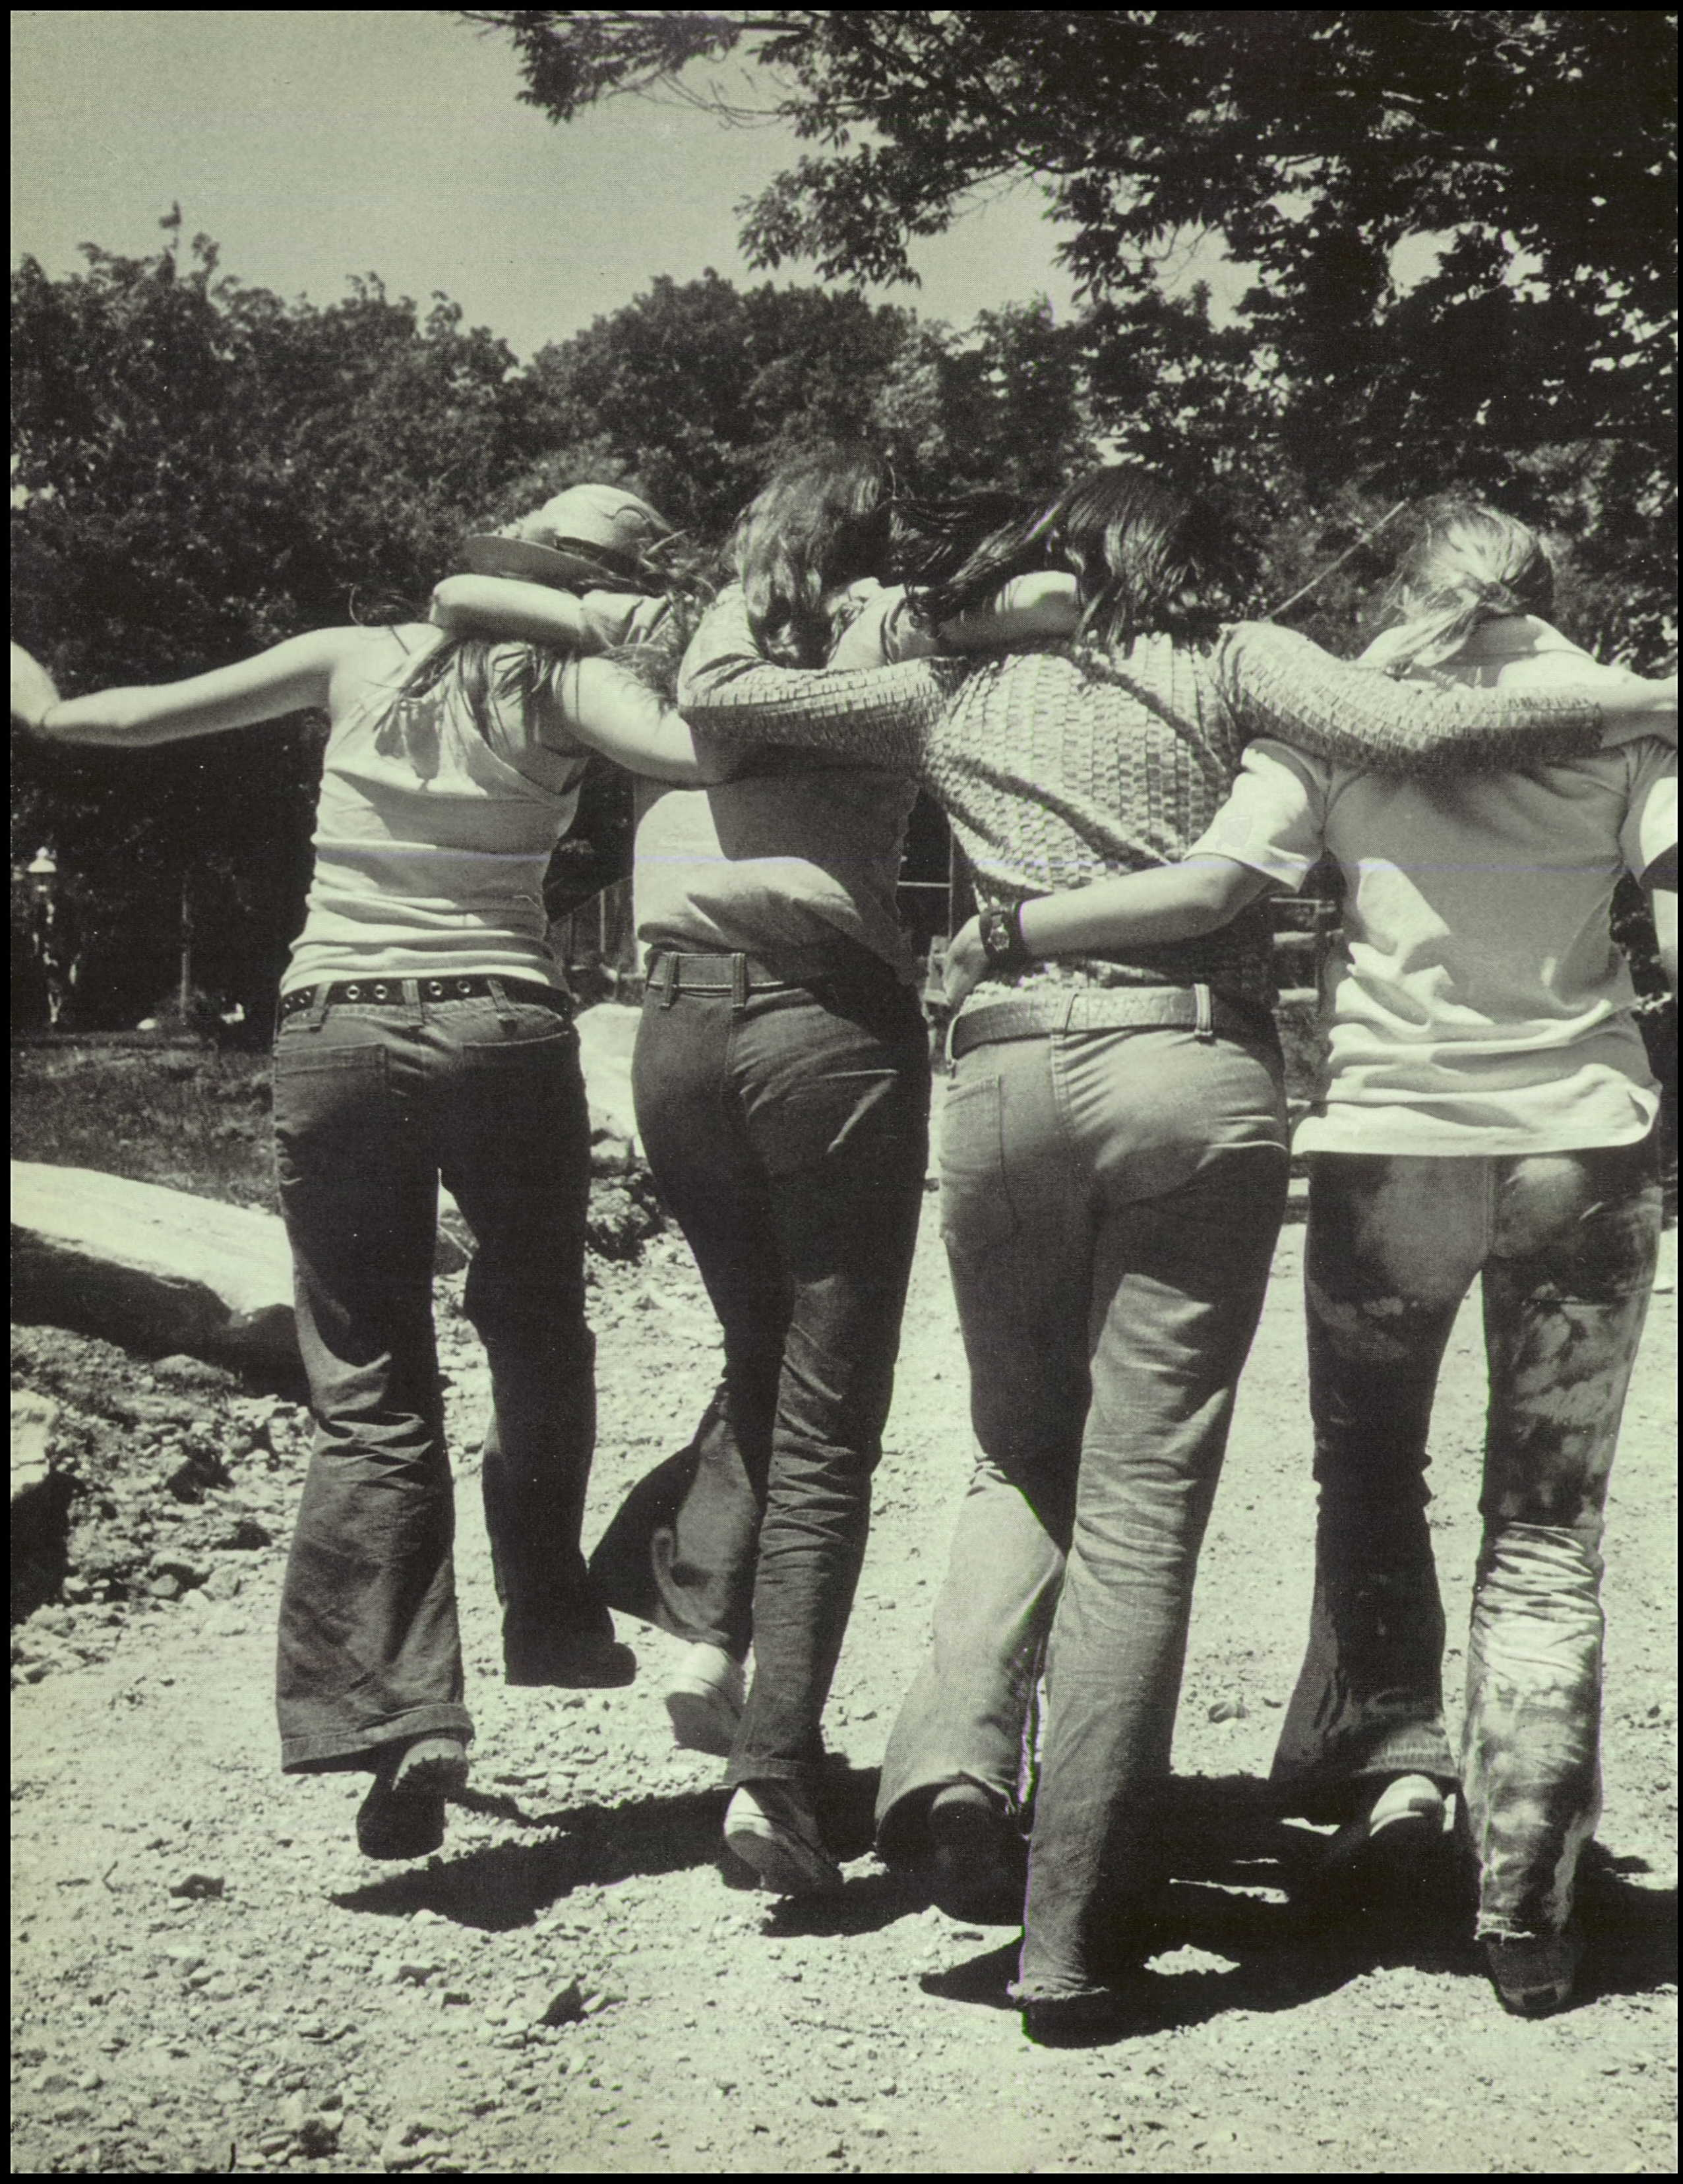

Jennifer Davis Bateman
"From my obscurity came forth a
light and illuminated my path."

Ruth Shea Scholdan

"In the still night hearts re-
veal their secrets to you. And
at dawn, eyes open at your gentle
